The Gers, with its wide rolling valleys and pretty little hill top villages of honey-coloured houses, some of them built of colombages (wattle and daub) is an agricultural land of plenty. The landscape is of fields of sunflowers and maize, set against the striking backdrop of the snow-capped Pyrenees.

Gers 2020: Best of Gers Tourism - Tripadvisor
Located in Gers, Gascony, this little place has a little of everything – culture, style and tranquility. Its history dates back to 1082. The name refers to Rome, as it was founded by two monks who returned from a pilgrimage to Rome. The establishment was small and has not changed too much since then.

Ici, villas et routes romaines, mottes castrales, églises, moulins et lavoirs, castelnaux et bastides témoignent d'un art de vivre, imprégné de la douceur du climat, de l'omniprésence de la lumière et des couleurs chaudes de la terre et de la pierre. Les molles ondulations caractéristiques de la Gascogn gersoise créent de multiples terroirs dont l'ensemble dégage une sensation d'harmonie paisible ; fois gras, armagnac et madiran en gardent la saveur. Et les hommes ? Au pays de d'Artagnan, les illustres, nombreux, s'exposent dans les hôtels de ville d'Auch, Condom et Lectoure. Sur le chemin de Saint-Jacques, loin des grandes route, le Gers a su préserver son identité et ses richesses, qui fascinent toujours visiteurs et touristes.
