100) Grade 4 Addition Worksheet Find the missing number. 1. + 33 = 54. 2. 85 + 10 = 3. + 11 = 62. 4. 33 + 27 = 5. + 7 = 66. 6. 31 + = 47. 7. 27 + = 88. 8. 54 + = 56. 9. + 11 = 96. 10. 11 + = 92. 11. 99 + = 105. 12. 55 + = 78. 13. + 36 = 101. 14. 20 + 21 = 15. 47 + 45 = 16. 33 + = 98. 17. + 17 = 93. 18. 32 + = 82. 19. + 33 = 80. 20. 24 + = 83

Daily Math Addition Practice 100 Worksheets This book contains 100 addition worksheets for practice. These are vertical addition sums with two addends. The addends are of 4 digits and 3 digits each. These maths problems are provided to improve the mathematics skills by frequent practicing of the worksheets provided. There is nothing more effective than a pencil and paper for practicing some math skills. These math worksheets are ideal for teachers, parents, students, and home schoolers. Teachers and home schoolers use the maths worksheets to test and measure the child's mastery of basic math skills. These math drill sheets can save you precious planning time when homeschooling as you can use these work sheets to give extra practice of essential math skills. Parents use these mathematic worksheets for their kids homework practice too. You can use the worksheets during the summer to get your children ready for the upcoming school term. Designed for after school study and self study, it is also used by homeschoolers, special needs and gifted kids to add to the learning experience in positive ways. It helps your child excel in school as well as in building good study habits. If a workbook or mathematic textbook is not allowing for much basic practice, these sheets give you the flexibility to follow the practice that your student needs for a curriculum. These worksheets are not designed to be grade specific for students, rather depend on how much practice they've had at the skill in the past and how the curriculum in your school is organized. Kids work at their own level and their own pace through these activities. The learner can practice one worksheet a day, one per week, two per week or can follow any consistent pattern. Make best use of your judgement.
