MCSA/MCSE Exam 70-292 Study Guide & DVD Training System: Managing and Maintaining a Windows Server 2003 Environment for an MCSA Certified on Windows 2000 is a one-of-a-kind integration of text, DVD-quality instructor led training, and Web-based exam simulation and remediation. This system gives you 100% coverage of the official Microsoft 70-292 exam objectives plus test preparation software for the edge you need to pass the exam on your first try. In June, 2003 Microsoft will launch beta exams for the Windows Server 2003 certification line. Exams will likely go live the following August and September. This launch is a comprehensive revamping of the MCSE (Microsoft Certified System Enginner) track with all new core exams and all new electives. In addition, the MCSA (Microsoft Certified System Administrator) certification will expand its program to include an additional upgrade exam for MCSAs wanting to become MCSEs. The launch of this new certification track means that all current MCSEs, representing an installed base of approximately 200,000 (source: MCP Magazine) will need to recertify under Windows Server 2003. In addition, any MCP looking to become an MCSE--estimates are about 1.2 million (source: MCP Magazine)--will also have to continue their certifications under the new program. Many industry experts expect the Windows 2003 certification, and product line as well, to be a more popular track since many organziations are still using NT and plan to skip 2000 and go directly to 2003. * DVD Provides a "Virtual Classroom": Get the benefits of instructor led training at a fraction of the cost and hassle. * Guaranteed

Coverage of All Exam Objectives: If the topic is listed in Microsoft's Exam 70-292 objectives, it is covered here. * Fully Integrated Learning: This system includes a study guide, DVD training and Web-based practice exams.

Unconditional love is eagerly promised at weddings, but rarely practiced in real life. As a result, romantic hopes are often replaced with disappointment in the home. But it doesn't have to stay that way. The Love Dare, the New York Times No. 1 best seller that has sold five million copies and was major plot device in the popular movie Fireproof, is a 40-day challenge for husbands and wives to understand and practice unconditional love. Whether your marriage is hanging by a thread or healthy and strong, The Love Dare is a journey you need to take. It's time to learn the keys to finding true intimacy and developing a dynamic marriage. This second edition also features a special link to a free online marriage evaluation, a new preface by Stephen and Alex Kendrick, minor text updates, and select testimonials from The Love Dare readers. Take the dare!

Are you a children's ministry leader on the edge of burnout? Sustainable Children's Ministry shows you how to recruit volunteers, partner with parents, navigate politics, and care for your own soul instead of frantically scrambling to do it all yourself. This practical resource will help you build a ministry foundation that will still be standing long after you are gone.

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, *The Accountant Beside You*, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. *QuickBooks for Churches*

covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.

The Easter season is full of joy, celebration, and life. It's so easy to get swept up in the busyness of plays and pastels that we sometimes forget to stand in awe of Jesus this time of year. Easter: Behold Your King is a thoughtful look at the Easter season, focusing on the events and deeper theological meaning of the Passion Week. Diving into topics like: Old Testament prophecy that connects to Jesus as the Messiah, the significance of the events of Palm Sunday through the silence of Holy Saturday, and Jesus' appearances after His resurrection, this study will not only help the reader understand how beautifully deep Christ's sacrifice for us was, but also how to live in light of these life-giving truths. This resource will also include Easter activities to help kids, students, and adults celebrate the season together. Features: Leader helps for group discussion Beautiful 4 color interior to enhance the study experience 4 weeks of personal study to be completed between the 5 group sessions Specific Easter activities for kids, students, and adults Benefits: Understand the order and theological significance of the events and big moments during the Passion Week, including the Old Testament prophecies that connect to it, seeing it as more than just a familiar story. Allow a deeper understanding of
