This book was produced to commemorate Buell Motor Company's 25th anniversary. Illustrated by hundreds of photographs from private collections and corporate archives, it covers Buell's history from inception to the present. Erik Buell is, of course, at the center of this inspiring story, but the company has thrived not just because of one energetic, visionary man, but because that man was able to inspire others around him to give 110 percent to their common objectives. This story is as much about the people of Buell as it is the motorcycles of Buell. Both, as you will learn, are remarkable.
