fiction and nonfiction texts. This resource provides high-interest passages, multiple-choice questions, and short-answer activities designed to meet the rigor of today's standards. Each assessment motivates students to look for textual evidence when answering questions. All units include writing activities linked to higher-order thinking and questioning skills. The writing ideas are designed to incorporate the skills necessary for excellent writing as well as help assess a student's ability to respond to a written prompt. Correlated to the Common Core State Standards.

In *Interactive Notebooks: Seasonal* for fourth grade, students will complete hands-on activities about decomposing fractions, primary and secondary sources, state symbols, measuring angles, and much more. The *Interactive Notebook* series spans kindergarten to grade 5. Each 96-page book contains a guide for teachers who are new to interactive note-taking, lesson plans and reproducibles for creating notebook pages on a variety of topics, and generic reproducibles for creating even more notebook pages. The books focus on grade-specific math, language arts, science, and social studies skills and are aligned to current state standards.

Teach kindergarten students close reading strategies that strengthen their fluency and comprehension skills! Students will read and analyze various types of texts to get the most out of the rich content. Their reading skills will improve as they answer text-dependent questions, compare and contrast texts, and learn to use close reading strategies on their own! The lessons are designed to make close reading strategies accessible, interactive, grade appropriate, and fun. The lesson plans are easy to follow, and offer a practical model built on research-based comprehension and fluency strategies.
