As a companion resource to *Encountering the LOVE of God* book by Dr. Patty Sadallah, this journal resource answers the questions; What can I ask God and How can I record my experiences with Him? This custom made journal allows you to record your conversations and experiences with God daily in a convenient coil bound book that lays flat. Each journal page has LOVE scriptures on the bottom. I love how amazingly often what you are receiving on the page from Jesus lines up with the scripture at the bottom of that page! This journal includes 150 verses and hundreds of journal prompts for you so you know what you can ask the various names of God. There are also suggested adventures that you can have with God as well. Go on a supernatural vacation, jump into a Bible story experience it, or ask Jesus to give you a metaphor experience to explain a biblical principle. Your intimacy with the Lord increases as you encounter God as the Heavenly Father, Savior, Immanuel, the Bridegroom, and the Friend personally guided by these encounter prompts.

Go Deeper with the Lord Use this companion guide with the book Deepening My Intimacy with God to go deeper with the one your heart loves. Each day offers a space to enter a Scripture verse that's been on your heart, followed by space to answer questions that help you think through His words and what He is saying to your heart. Think about what the scripture means. Ask the Holy Spirit to give you understanding on what it means. Ask the Lord what He wants to say to you through the passage of scripture about your current thoughts, spiritual condition, and emotions. Think about how the scripture can encourage you about something you're struggling with right now. Think about how this scripture can apply to your future. "I found the one my heart loves. I held him and would not let him go."
--Song of Songs 3:4 NIV
