Writing a summary is a great way to process the information you read, whether it's an article or a book. If you're assigned a summary in school, the best way to approach it is by reviewing the piece you're summarizing. Read it thoroughly and take notes on the major points you want to include in your summary.

How many of us still have time to read 660+ page guidelines? How many of us have time to take those guidelines and combine them with chapters adopted after the guidelines were published? How does a student begin to study a work of this size, without getting hopelessly lost? This book reflects my love for systematic thinking and reducing clutter. It is aimed at giving fast, accurate, information through diagrams and summaries. I believe it may fill a need at a time where we are buried under information and do not always have time to read ten page articles, hundred-page court decisions, or six hundred page guidelines. This book does not pretend to be a replacement of the 2017 OECD Transfer Pricing Guidelines; it is an introduction, giving an overview of the wide variety of topics covered, with paragraph references to the underlying Guideline paragraphs, so that we know where to find them. In this book, the 2017 OECD Transfer Pricing Guidelines are summarized three times: first as a one-page overview, then as a longer executive summary and finally as an extended summary of most of the paragraphs of the 2017 OECD Transfer Pricing Guidelines. The extended summary references the actual paragraphs in the 2017 OECD Transfer Pricing Guidelines. As the 2017 OECD Transfer Pricing Guidelines is a live document, which is continuously updated, I will substitute existing the 2017 OECD Transfer Pricing Guidelines chapters and paragraphs with draft and final material published after 2017. These texts are clearly marked and will first concern the profit allocation to PEs, the profit split method and financial transactions, when those documents are finalised by the OECD. The book follows the order of topics as given in the actual guidelines, albeit that I have added to Annexes to the different chapters in the chapters where they belong. This book is only descriptive: I have not given my opinion about the choices made, though it is difficult to make a summary without some degree of interpretation.

Manuscript copy of Biblia, or, A practical summary of Old and New Testaments. Written in black and red inks with two full and 16 partial page illuminations. Hand-written double-rule red borders. Written in at least two hands.

How many of us still have time to read 600+ page guidelines? How many of us have time to take those guidelines and combine them with

chapters adopted after the guidelines were published? How does a student begin to study a work of this size, without getting hopelessly lost? This book reflects my love for systematic thinking and reducing clutter. It is aimed at giving fast, accurate, information through diagrams and summaries. In this book, the 2017 OECD Transfer Pricing Guidelines are summarized three times: first as a one-page overview, then as a longer executive summary and finally as an extended summary of most of the paragraphs of the 2017 OECD Transfer Pricing Guidelines. The extended summary references the actual paragraphs in the 2017 OECD Transfer Pricing Guidelines. As the 2017 OECD Transfer Pricing Guidelines is a live document, which is continuously updated, I will substitute existing the 2017 OECD Transfer Pricing Guidelines chapters and paragraphs with draft and final material published after 2017. These texts are clearly marked and will first concern the profit allocation to PEs, the profit split method and financial transactions, when those documents are finalised by the OECD. All references within the book are hyperlinked for fast and easy reading between texts. This book does not pretend to be a replacement of the 2017 OECD Transfer Pricing Guidelines; it is an introduction, giving an overview of the wide variety of topics covered, with paragraph references to the underlying Guideline paragraphs, so that we know where to find them. The original work can be bought from the OECD at <http://www.oecd.org/tax/transfer-pricing/oecd-transfer-pricing-guidelines-for-multinational-enterprises-and-tax-administrations-20769717.htm>.
