Six Amish girls seeking love. Will they find it?1. AN UNEXPECTED PROPOSAL Ruth and Isaac have been good friends for so long that no one is surprised when their parents come together to decide on their marriage. But everyone present is shocked when Isaac reveals that he wants to marry Katie (Ruth's sister) instead of Ruth. What is Isaac thinking? And why would he do this to Ruth? Katie is unhappy with Isaac for treating her sister in this manner. But at the same time Katie feels herself drawn to Isaac. A feeling that she had suppressed for long comes to the fore. Will Katie be able to resolve her feelings for Isaac? And what will happen to Ruth?2. AMISH TEMPTATION Joshua loves Esther and is surprised when she rejects him. He is not able to understand what has changed between them. Esther is an impulsive high spirited girl. She has a secret that she cannot share with anyone. She is in love with Rick, an Englisher. Rick is a ladies man looking for new challenges, and in a sleepy Amish county, he has found the ultimate challenge: woo an Amish girl. Will Esther see reason and be able to avoid Rick's designs? Or will she succumb to the English temptation? Will Joshua be able to bring Esther back from the brink, or is his one-sided love destined to fail?3. AMISH THANKSGIVING Heather is inconsolable when her brother dies in a road accident. She develops a hatred for the Englishers who live a decadent and irresponsible life. Josiah is a young man who is short of cash for Thanksgiving. He despairs to get a turkey for dinner. Josiah is shocked when he sees his friend Heather all alone by herself in an English city. What is Heather thinking? And why does she look so purposeful? With Heather intent on revenge, will Josiah be able to bring her back from the brink? Will the gratitude of Thanksgiving season

bring a change to her heart? And what will happen to Josiah's quest for a turkey?4. AMISH CHRISTMASAnna and Abraham are childhood friends and believe that their relationship may grow into something special.However, when Abraham's father dies unexpectedly, Abraham begins to question his future in the Amish community. He is tempted by the bright Christmas lights of the nearby English town.Anna wants to help, but her heart is weary as she realizes that her father is away at work and may not return in time for Christmas.What will Anna do when she discovers that Abraham has gone missing? Will she be able to see her friend ever again? Or will Anna be resigned to spend a lonely time at Christmas with her father far away at work and Abraham unaccounted for?5. AMISH HORSEKEEPERAmity is shocked when she learns that her sister is thinking of leaving the order. She despairs for a way to make her sister see reason.Ike is a young man who crashes his buggy in a freak accident and is then forced to sell his best horse to Amity's father to pay off his debts.When Ike meets Amity, they feel an instant connection with each other, but Amity is distracted by her sister's situation and Ike is unhappy about losing his horse.Will Amity be able to help out her sister? And will Ike be able to get back his horse? And what will happen to their budding romance? Find out in this sweet clean standalone Amish Romance story.AMISH HORSEKEEPER'S COUSINWhen Ike's cousin Gabriel runs into Anna, the sparks fly between them, with both of them interested in meeting each other again. But time, distance and fate keep them away.Gabriel's only source of income, his farm is destroyed one night in a heavy storm. Strapped of cash and manpower, Gabriel asks Ike for assistance.Anna's mother still has doubts about Anna. When Anna and Gabriel are caught together, Anna's mother forbids her from seeing Gabriel again.Will Gabriel be able to resolve his financial problems? Will Anna be able to convince her mother about

Gabriel? Will Anna and Gabriel be able to get together again? Find out in this 6-in-1 Boxset.

Why would successful urbanites, used to clean, controlled and orderly lives, take on the task of restoring a near collapsing empty barn littered with haphazard and decayed fencing, pastures deep in standing water, and try to turn it into a thriving horse farm? Initially motivated only by a city dweller's fantasy and obscure memories of childhood visits to the country, Roxanne Bok oversees the reconstruction of a thirty-seven stall barn and painstakingly discovers something about both large animals and running a small business. Follow an equine novice as she leads her equally naïve family in an eighteen-month long adventure of breathing life back into a once great horse farm in rural New England. A thoughtfully detailed memoir, Roxanne Bok learns it all the hard way, from the agony of repeatedly being tossed off a beloved horse, to the thrill of winning a blue ribbon. For those who love horses, the dream of country life or simply the sight of an otherwise urban family on great rural adventure, here is a tale that plumbs the full range of human emotions but ends with a deepened love of the land and the extraordinary equine creatures that inhabit it. Proceeds from book sales will be donated to support horse rescue charities.

Reduce your carbon hoofprint! Covering everything from environmentally sensitive trail riding to building a green barn, this guide is packed with simple, practical ways to create a healthy, chemical free, and sustainable environment for you and your horses. Heather Cook provides strategies for collecting rainwater, finding locally sourced feed, using natural cleaning products, and much more. Whether you keep a barn full of horses or rent a stall for just one, you'll find

dozens of suggestions for implementing practices that preserve land, water, and energy.

The most comprehensive single volume dedicated to horses, *The Original Horse Bible* is a celebration of the long relationship that humans and horses enjoy, written by two highly regarded horsewomen, the late Moira C. Allen and Sharon Biggs. This 480-page volume, elaborately illustrated by world-renowned horse photographer Bob Langrish, is divided into eleven sections, covering topics that span the world of horses, from evolution and domestication to horse riding, training, competitions and more. Section 1: "History, Physiology, and Behavior" discusses the natural history of the horse, including adaption, migration, and domestication, how horses became integral to human kind, the role of horses in society (war horses, law-enforcement horses, race horses), as well as animal welfare and the plight of wild and feral horses. The anatomy and physiology of the horse are detailed in discussions of the horse's bodily systems, structure, senses, gait/movement, and coat and color patterns. In terms of behavior, the authors discuss the life cycle of the horse and reproduction, intelligence and trainability, and horse mentality and natural instincts. In Section 2: "Breeds and Types," the authors trace the evolution of modern horse types from three known ancient ancestors and archaic types and extinct breeds. They describe the modern types of horses based on their particular looks and specific uses (Baroque, Cob, Hack, Hunter, Polo Pony and so forth). A detailed discussion of horse color follows, explaining the differences between each and what specific characteristics define each (buckskin, palomino, and pinto). The extensive breed

Bookmark File PDF Amish Horsekeeper

chapter offers portraits of approximately 175 breeds, alphabetically arranged, from the Abaco Barb to the Welsh Pony, including many rare and handsome breeds from around the world as well as favorites like the American Quarter Horse, the Shetland Pony and the Thoroughbred. Main entries provide alternative names, region of origins, brief history, and physical descriptions for each breed. Sidebars called "Breed in Brief" offer concise overviews of the lesser known breeds. The popular hobby of horse riding is the focus of Section 3: "Activities with Horses," which describes English, western, and driving competition as well as rodeo, competitive trail riding, vaulting, polo, and other horse sports. Section 7: "Rider Instruction" continues the discussion on riding with chapters on riding instructions, safety and fitness as well as English and western riding skills. In Section 4: "A New Horse" and Section 5 "Horsekeeping," the Bible becomes a primer for all horse owners offering detailed information about choosing the right horse for novice riders, families, and experienced riders and purchasing the horse and the proper equipment (saddles and bridles, boots, gear, and gadgets). The section concludes with chapters on transporting horses, stabling and boarding, and feeding and grooming. Section 6: "Health" discusses veterinary care and vaccines, recognizing the signs of a healthy animal, first aid for each area of the horse's anatomy, hoof care, and winter wear. A complete chapter is dedicated to battling parasites and pests and avoiding poisonous plants in the horse's environment. A chapter on alternative care completes the section. Section 8: "Horse Training" focuses on various training philosophies and early handling, training lessons, solving training problems (leading, bolting, biting/nipping, rearing/buckling and shying). Section 9: "Competition" is dedicated to horse shows and classes, preparation for various kinds of shows for both the horse and the rider, and what to expect at

Bookmark File PDF Amish Horsekeeper

the show. These chapters are filled with priceless firsthand advice and pointers from the authors about how to succeed at each of these events. Section 10: "Breeding Mares and Raising Foals" offers a complete overview of the reproduction of horses, with details on choosing a stallion, live cover versus artificial insemination, pregnancy, delivery, and care, imprinting, and handling of the young. Section 11: "The Senior Horse" discusses the horse's golden years, signs of aging, nutrition and care, retirement from activities, and general care for aging animals. Horse owners will find symptoms and treatment for sixteen of the most common equine ailments (found in the appendix) to be of great utility, as are the resource section and complete index at the end of the volume.

Rita, Dan, Max and Ted are on the move in Trucktown! Kids will have hands-on fun with a movable part on each spread! Swing Wrecker Rosie's wrecking ball, spin Monster Truck Max's wheel, dump gravel from Dump Truck Dan's bed, and move Tow Truck Ted's hook up and down as he saves a good friend!

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders,

Bookmark File PDF Amish Horsekeeper

had accidentally killed one of the whites threatening their lives and homes. And so it began a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

Draft Horses and Mules, by Gail Damerow and Alina Rice, distills the great tradition of these impressive animals into a definitive guide. Designed for new or intermediate owners, the book shows readers how to choose an ideal team, feed and house them, maintain their health, ensure effective equine-human communication, select and use equipment properly, and employ the animals in a variety of agricultural, logging, and demonstration tasks.

The *Florida Horse Owners Field Guide* describes available breeds, how to select the right breed for you and your home, and how to ensure that your pet stays healthy in Florida, taking into account the special challenges of heat, humidity, insects, poisonous plants, and hurricanes. It includes a detailed map of parks featuring horse trails and information on Florida's many shows and events. Perfect for animal lovers of all ages.
