About the series...Shibari is the Japanese-inspired art of tying a subject to not only immobilize them, but to do so elegantly and beautifully - creating an intimate and

erotic experience for both the subject and the person tying. Adopted by rope enthusiasts all over the world, shibari (literally "to tie" or "to bind") is a cornerstone of erotic rope art and the subject of captivating performances and photographs. However, in-depth resources for learning the art are difficult to obtain, making shibari intimidating, obscure and difficult to master... Until now. The Complete Shibari series is the most complete and accessible English-language guide to shibari ever published. Author Douglas Kent strips away shibari's mystery and reveals how to create visually stunning compositions with rope and the human form... in your own home or play space.

About Complete Shibari: Land Complete Shibari Volume 1: Land explores the essential ground-based ties and forms of shibari. With short, clear explanations and over 450 lavish, step-by-step illustrations and photographs, Douglas Kent introduces the basic "building blocks", then guides you in applying those basics to create a full range of beautiful and exciting ground-based shibari ties. This is not a "knot book" - if you can tie an overhand knot, you already know half the knots you'll ever need. This practical, hands-on guide to doing shibari covers everything from choosing and preparing rope, to scene safety, to the techniques... and the reasoning behind the techniques. Complete Shibari Volume 1: Land is a ground-breaking, must-have book for anyone interested in playing with rope. Buy it today and tie tonight!

The first edition of this book quickly established itself as one of the clearest and most readable introductions to generative grammar. Together with a complete introduction to the principles of Universal Grammar, it traced the major shifts of perspective that have influenced the developments of the theory over the last forty years. This revised and expanded new edition introduces students with no previous

training to Transformational Grammar. Covering the framework known as Principles and Parameters as well as the more recent framework known as Minimalism, it includes a range of new exercises, making it ideal for students at all levels.

Poetry. Latino/Latina Studies. LGBT Studies. "Like Whitman, Quesada is a poet of motion—journeying to the center of the US, where the traditions and innovations of first-generation Americans traverse the meditative starbursts of hills; ford rivers; cross prairies; and seek out 'the alpenglow of tomorrow and tomorrow.' From Costa Rica to Los Angeles and across the continent, Quesada's poems chronicle one family's history: from the courtship of his parents to their separation, from his childhood struggles to awakening desire from his mother's lottery winnings to his own personal losses, Ruben Quesada carries us toward 'that seam in space' where dream and experience intersect. This isn't the story of what it means to come to this country. It's the story of what it means to belong here"—D. A. Powell.

Vast areas of the Netherlands seem to be filling up with low-cost housing, low-rent offices, warehouses and other low-density structures--producing a vast sea of architectural mediocrity. This book examines the prospects for animating this tendency. Conceived and edited by Winy Maas and Jacob van Rijs with Richard Koek and produced by MVRDV, FARMAX reads as an architectural narrative
