Pilgrim at Tinker Creek by Annie Dillard (Book Review)

The Atheist Codger Reads a Passage from Annie Dillard's \"Pilgrim at Tinker Creek\" ~~An American Childhood Annie Dillard~~

Annie Dillard grew up in Pittsburgh during the 1950s, and she captured those days in this memoir, documenting her childhood, while also detailing the rich history of Pittsburgh--I especially loved the information on Andrew Carnegie and of Pittsburgh's wealth which came from, "aluminum, glass, coke, electricity, copper, natural gas--and the banking and transportation industries that put up the money and moved the goods."

~~An American Childhood by Annie Dillard - Goodreads~~

With the 1987 publication of *An American Childhood*, Annie Dillard, novelist, critic and woman of all trades helped ushered in the age of the memoir. For this alone we should thank her. Non traditional in many ways, Dillard begins her work by claiming, "When everything else has gone from my brain...what will be left is topology: the dreaming memory of land as it lay."

An American Childhood is a 1987 memoir written by Pulitzer Prize-winning American author Annie Dillard. In it, Dillard remembers her childhood and adolescence and describes her life growing up in...

~~An American Childhood Summary - eNotes.com~~

Annie's father left his family for a little while when she was a child, but none of them felt abandoned, because it was a family decision for him to go. Her father took his boat down the Allegheny River to New Orleans, which had been on his bucket list ever since he read about boat trips in a book.

~~An American Childhood Summary | GradeSaver~~

"*An American Childhood*" relates an event that occurred one winter morning when the seven-year-old Dillard and a friend were chased relentlessly by an adult stranger at whom they had been throwing snowballs. Dillard admits that she was terrified at the time, and yet she asserts that she has "seldom been happier since."

"[An American Childhood] combines the child's sense of wonder with the adult's intelligence and is written in some of the finest prose that exists in contemporary America. It is a special sort of memoir that is entirely successful...This new book is [Annie Dillard's] best, a joyous ode to her own happy childhood." — Chicago Tribune A book that instantly captured the hearts of readers across the country, An American Childhood is Pulitzer Prize-winning author Annie Dillard's poignant, vivid memoir of growing up in Pittsburgh in the 1950s and 60s. Dedicated to her parents - from whom she learned a love of language and the importance of following your deepest passions - this narrative tale will resonate for everyone who has ever recalled with longing playing baseball on an endless summer afternoon, caring for a pristine rock collection, or knowing in your heart that a book was written just for you.

A book that instantly captured the hearts of readers across the country, An American Childhood is Pulitzer Prize-winning author Annie Dillard's poignant, vivid memoir of growing up in Pittsburgh in the 1950s.

Winner of the Pulitzer Prize "The book is a form of meditation, written with headlong urgency, about seeing. . . . There is an ambition about her book that I like. . . . It is the ambition to feel." — Eudora Welty, New York Times Book Review Pilgrim at Tinker Creek is the story of a dramatic year in Virginia's Roanoke Valley, where Annie Dillard set out to chronicle incidents of "beauty tangled in a rapture with violence." Dillard's personal narrative highlights one year's exploration on foot in the Virginia region through which Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.

A stunning collection of Annie Dillard's most popular books in one volume.

"For nonwriters, it is a glimpse into the trials and satisfactions of a life spent with words. For writers, it is a warm, rambling, conversation with a stimulating and extraordinarily talented colleague." — Chicago Tribune From Pulitzer Prize-winning Annie Dillard, a collection that illuminates the dedication and daring that characterizes a writer's life. In these short essays, Annie Dillard—the author of Pilgrim at Tinker Creek and An American Childhood—illuminates the dedication, absurdity, and daring that characterize the existence of a writer. A moving account of Dillard's own experiences while writing her works, The Writing Life offers deep insight into one of the most mysterious professions.

Pulitzer Prize-Winning Author In recognition of her long and lauded career as a master essayist, a landmark collection including her most beloved pieces and some rarely seen work, rigorously curated by the author herself "Annie Dillard's books are like comets, like celestial events that remind us that the reality we inhabit is itself a celestial event."—Marilynne Robinson, Washington Post Book World "Annie Dillard is, was, and will always be the very best at describing the landscapes in which we find ourselves."—Minneapolis Star Tribune "Annie Dillard is a writer of unusual range, generosity, and ambition. . . . Her prose is bracingly intelligent, lovely, and human."—Margot Livesey, Boston Globe "A writer who never seems tired, who has never plodded her way through a page or sentence, Dillard can only be enjoyed by a wide-awake reader," warns Geoff Dyer in his introduction to this stellar collection. Carefully culled from her past work, The Abundance is quintessential Annie Dillard, delivered in her fierce and undeniably singular voice, filled with fascinating detail and metaphysical fact. The pieces within will exhilarate both admiring fans and a new generation of readers, having been "re-framed and re-hung,"

with fresh editing and reordering by the author, to situate these now seminal works within her larger canon. The *Abundance* reminds us that Dillard's brand of "novelized nonfiction" pioneered the form long before it came to be widely appreciated. Intense, vivid, and fearless, her work endows the true and seemingly ordinary aspects of life—a commuter chases snowball-throwing children through neighborhood streets, a teenager memorizes Rimbaud's poetry—with beauty and irony, inviting readers onto sweeping landscapes, to join her in exploring the complexities of time and death, with a sense of humor: on one page, an eagle falls from the sky with a weasel attached to its throat; on another, a man walks into a bar. Reminding us of the indelible contributions of this formative figure in contemporary nonfiction, *The Abundance* exquisitely showcases Annie Dillard's enigmatic, enduring genius, as Dillard herself wishes it to be marked.

National Bestseller "Beautifully written and delightfully strange...as earthy as it is sublime...in the truest sense, an eye-opener." --Daily News From Annie Dillard, the Pulitzer Prize-winning author of *Pilgrim at Tinker Creek* and one of the most compelling writers of our time, comes *For the Time Being*, her most profound narrative to date. With her keen eye, penchant for paradox, and yearning for truth, Dillard renews our ability to discover wonder in life's smallest--and often darkest--corners. Why do we exist? Where did we come from? How can one person matter? Dillard searches for answers in a powerful array of images: pictures of bird-headed dwarfs in the standard reference of human birth defects; ten thousand terra-cotta figures fashioned for a Chinese emperor in place of the human court that might have followed him into death; the paleontologist and theologian Teilhard de Chardin crossing the Gobi Desert; the dizzying variety of clouds. Vivid, eloquent, haunting, *For the Time Being* evokes no less than the terrifying grandeur of all that remains tantalizingly and troublingly beyond our understanding. "Stimulating, humbling, original--. [Dillard] illuminate[s] the human perspective of the world, past, present and future, and the individual's relatively inconsequential but ever so unique place in it." --Rocky Mountain News

"[This] is a book of great richness, beauty and power and thus very difficult to do justice to in a brief review...The violence is sometimes unbearable, the language rarely less than superb. Dillard's description of the moth's death makes Virginia Woolf's go dim and Edwardian. Nature seen so clear and hard that the eyes tear...A rare and precious book." —Frederick Buechner, *New York Times Book Review* From Pulitzer Prize-winning Annie Dillard, a book about the grace, beauty, and terror of the natural world. In the mid 1970s, Annie Dillard spent two years on an island in Puget Sound in a room with a solitary window, a cat, and a spider for company, asking herself questions about memory, time, sacrifice, reality, death, and God. *Holy the Firm*, the diary-like collection of her thoughts, feelings, and ruminations during this time, is a lyrical gift to any reader who have ever wondered how best to live with grace and wonder in the natural world.

Winner of the New England Book Show Award It's been a pilgrimage for Annie Dillard: from Tinker Creek to the Galapagos Islands, the high Arctic, the Pacific Northwest, the Amazon Jungle—and now, China. This informative narrative is full of fascinating people: Chinese people, mostly writers, who encounter American writers in various bizarre circumstances in both China and the U.S. There is a toasting scene at a Chinese banquet; a portrait of a bitter, flirtatious diplomat at a dance hall; a formal meeting with Chinese writers; a conversation with an American businessman in a hotel lobby; an evening with long-suffering Chinese intellectuals in their house; a scene in the Beijing foreigners' compound with an excited European journalist; and a scene of unwarranted hilarity at the Beijing Library. In the U.S., there is Allen Ginsberg having a bewildering conversation in Disneyland with a Chinese journalist; there is the lovely and controversial writer Zhang Jie suiting abrupt mood changes to a variety of actions; and there is the fiercely spirited Jiange Zilong singing in a Connecticut dining room, eyes closed. These are real stories told with a warm and lively humor, with a keen eye for paradox, and with fresh
