The New York Times bestseller: "You gotta read this. It is the most exciting book about Pluto you will ever read in your life." —Jon Stewart When the Rose Center for Earth and Space at the American Museum of Natural History reclassified Pluto as an icy comet, the New York Times proclaimed on page one, "Pluto Not a Planet? Only in New York." Immediately, the public, professionals, and press were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a minihistory of planets, describes the oversized characters of the people who study them, and recounts how America's favorite planet was ousted from the cosmic hub.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Barron ' s ACT Premium Study Guide with 6 Practice Tests provides online practice, customizable study plans, and expert advice from experienced teachers who know the test. Step-by-step review helps you master the content, and full-length practice tests in the book and online provide realistic test experience so you ' re prepared for the exam. United States, US territories, and Puerto Rico: Testing will resume in 2020 and 2021. Current test dates are December 12, 2020, February 06, 2021, April 17, 2021, June 12, 2021, and July 17, 2021. International test dates for December 2020 and February 2021 have been canceled. This edition includes: Three full-length practice tests in the book Two full-length online practice tests One full-length diagnostic test in the book with guidance on how to use your results to determine the subjects you need to study more Easy, medium, and hard practice passages that enable you to customize your study Study plan recommendations based on the amount of time you have to prepare Extensive subject reviews that cover all parts of the ACT: English, math, reading, science, and the writing test Detailed overview of the ACT with comprehensive answers to frequently asked questions Advice on optimizing the test-taking mindset and managing test anxiety Proven test-taking strategies for students of all ability levels

A great companion to The Official SAT Study Guide 2020 Edition! The SAT can be stressful and overwhelming, but this SAT Reading and Writing guide will break the test down into more manageable "packets" of information so that students can narrow their focus to just one question type at a time. Smaller goals are easier to achieve! As students complete each packet, they'll boost their confidence and their scores. This guide includes over 400 practice Reading and Writing questions. There are also detailed lessons to help students learn "The Basics" that they need for each topic, as well as "The Twists" that the SAT will use to make the questions seem much more difficult than they actually are. Start with the lessons for the SAT-specific strategies so that you can learn more efficient ways to answer the questions in the packets and on the real SAT. SAT Reading and Writing Packets also lists the corresponding packet for every Evidence-Based Reading and Writing question on the 10 Official SAT Practice Tests released by the College Board. (The SAT Reading and Writing Packets study guide has no affiliation with the College Board.) You can take the official practice tests and then use the charts in this guide to identify your weak areas! This guide is also GREAT FOR TUTORS who are looking to supplement the official practice tests. Tutors can choose lessons that cover questions your students miss on practice exams. And the detailed explanations are placed in the back of the book so that you can take the lead for your lessons. Most other guides clutter their chapters with long blocks of text. SAT Reading and Writing Packets gets out of the way so that tutors can structure their own lessons and students can focus on answering the questions.
