Perfect for revision, these guides explain the unit requirements, summarise the content and include specimen questions with graded answers. Each full-colour New Edition Student Unit Guide provides ideal preparation for your unit exam.:; Feel confident you understand the unit: each guide comprehensively covers the unit content and includes topic summaries, knowledge check questions and a reference index.; Get to grips with the exam requirements: the specific skills on which you will be tested are explored and explained.; Analyse exam-style questions: graded student responses will help you focus.

Written by a senior examiner, Gwen Coates, this AQA A2 Business Studies Student Unit Guide is the essential study companion for Unit 4: The Business Environment and Managing Change. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and prepare for the examination questions.

Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers - sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

Managerial accounting (also known as cost accounting or management accounting) is a branch of accounting that is concerned with the identification, measurement, analysis, and interpretation of accounting information so that it can be used to help managers make informed operational decisions. This book is intended as a quick reference revision guide for AQA AS Unit 4: Further Aspects of Management Accounting. It's particularly aimed at the written questions, which students often struggle with, but account for about 20-25% of the exam. It also contains appendices of important formats. Topics covered: - Manufacturing accounts - Budgeting - Break-even point - Marginal costing - Absorption costing - Standard costing Appendices: - Manufacturing account layout - Budget layouts - Marginal cost statement layout - Standard costing reconciliation statements layout - Although primarily intended with the AQA

This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade meets 2012 specification changes

Written by a senior examiner, Regina Teahan, this AQA(B) A2 Psychology Student Unit Guide is the essential study companion for Unit 4: Approaches, Debates and Methods in Psychology. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. A Content Guidance section combines an overview of the specific unit or module and the key terms and concepts, with an examiner's interpretation so that students understand precisely what they need to understand and learn, the skills required and the potential pitfalls. A Question and Answer section provides graded answers, typically A and C, to questions which have been set to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.
