Auto Repair For Dummies, 2nd Edition

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide—400,000 copies sold—now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Exposed: Auto Repair's Dirty Little Secrets to Rip You Off! Catch Dishonest Mechanics and Beat Them at Their Own Game! Hate Getting Your Car Serviced Because You're Afraid of Auto Repair Rip-offs? If you've ever dreaded taking your car in for routine maintenance, such as getting a simple oil change, or you've skipped getting your tires rotated because you're afraid a dishonest mechanic will rip you off, then this is the book for you! That's because, chances are you HAVE BEEN CHEATED! If you're a woman, you can bet you've been cheated, not once, not twice, but over and over again! Get Your Copy of this Book! You will learn the inside scoop on the tricks of the trade You will learn how mechanics, world wide, use a tried and true technique known as the "Three F's" to get you to agree to spend more money. This book will teach you about the "dirty air filter" trick and the "Flush" services that flush out your wallet. The tricks makes the shop money while ripping you off. You will learn the ways dishonest mechanics scam you by "up selling" services you don't need. We've all suspected it happens, now there's proof! Marty Guerrero is a two-time Emmy Award winning journalist who caught a so-called "female friendly" mechanic cheating her. He was charging her more than \$1000.00 for various services when all her car needed was a new battery. When he refused to refund her money, Marty took her case to state investigators and won. The shop owner was such a jerk she decided to take auto repair classes, learn about her car and expose the industry's dirty little secrets. This powerful book will save you money! You will learn how dishonest mechanics reel you in with cheap oil change prices then do a "bait and switch" to charge you more. Buy this book for yourself, and give copies as gifts to your friends and family. It will save all of you from agreeing to unnecessary services. You will save on your personal finances and have a lot less anxiety and headaches going to an independent auto repair shop or an auto dealership. It's a "must read" for anyone who drives a car!
