From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They’re often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah’s life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn’t really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God’s interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God’s will? Yet we play it that same way—always running from major pains and minor problems that just don’t seem to suit us at the time. Who knows what we’re missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He’s going against your grain. .

Did you know that God ’ s light can shine through every facet of your identity? Radiant is an invitation for teen girls and young women to enjoy a candid conversation on identity with bestselling author Priscilla Shirer. You ’ ll hear reflections on life lessons she ’ s gathered from her teen years until now. She ’ ll show you how the light of God ’ s Word shaped her identity, and she ’ ll teach you how it can change and shape your life as well. The culture will try to define you, but this world is starving for something different that comes only from the creative genius of your God. You were created to reflect His light. ... You were created to be radiant.

You have an enemy ... and he ’ s dead set on destroying all you hold dear and keeping you from experiencing abundant life in Christ. What ’ s more, his approach to disrupting your life and discrediting your faith isn ’ t general or generic, not a one-size-fits-all. It ’ s specific. Personalized. Targeted. So this book is your chance to strike back. With prayer. With a weapon that really works. Each chapter will guide you in crafting prayer strategies that hit the enemy where it hurts, letting him know you ’ re on to him and that you won ’ t back down. Because with every new strategy you build, you ’ re turning the fiercest battles of life into precise strikes against him and his handiwork, each one infused with the power of God ’ s Spirit. New York Times bestselling author Priscilla Shirer, widely known for her international speaking, teaching, and writing ministries, brings her new role from the 2015 film War Room into the real lives of today ’ s women, addressing the topics that affect them most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering their worst fears, uprooting bitterness, and more. Each chapter exposes the enemy ’ s cruel, crafty intentions in all kinds of these areas, then equips and encourages you to write out your own personalized prayer strategies on tear-out sheets you can post and pray over yourself and your loved ones on a regular basis. Fervent is a hands-on, knees-down, don ’ t-give-up action guide to practical, purposeful praying.
