A workbook for using symbolic acts to heal the unconscious mind • Provides several hundred successful psychomagic solutions for a wide range of specific psychological, sexual, emotional, and physical problems, from stuttering, eczema, and fears to repressed rage and hereditary illnesses • Details how practitioners can develop unique psychomagic solutions for their patients • Explains how psychomagic bypasses the rational mind to work directly with the unconscious for quicker and more enduring change Traditional psychotherapy seeks to unburden the unconscious mind purely through talk and discussion Psychomagic recognizes that it is difficult to reach the unconscious with rational thought. We should instead speak directly to the unconscious in its own language, that of dreams, poetry, and symbolic acts. By interacting on this deeper level, we can initiate quicker and more enduring change to resolve repressed childhood trauma, express buried emotions, and overcome deep-seated intimacy issues. Through the lens of psychomagic, illness can be seen as the physical dream of the unconscious, revealing unresolved issues, some passed from generation to generation. In this workbook of psychomagical spells, legendary filmmaker and creator of psychomagic Alejandro Jodorowsky provides several hundred successful psychomagic solutions for a wide range of psychological, sexual, emotional, and physical problems from stuttering, eczema, and fear of failure to repressed rage, hereditary illnesses, and domineering parents. Each solution takes the same elements associated with a negative emotional charge and recasts them into a series of theatrical symbolic actions that enable one to pay the psychological debts hindering their lives. Explaining the shamanic techniques at the foundation of psychomagic, the author offers methods for aspiring practitioners to develop solutions for their own unique patients. Jodorowsky explains how the surreal acts of psychomagic are intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper, more authentic self. As he says in the book, " Health only finds itself in the authentic. There is no beauty without authenticity."

Diagnosing a patient with unexplained ocular pain can be time-consuming and difficult, but taking an anatomic approach and excluding causes along the way can aid in the diagnosis. This book provides the reader with a systematic evaluation plan for these cases, written and edited by leaders in the field. A Case-Based Guide to Eye Pain is written for both ophthalmologists and neuro-ophthalmologists since there are not enough neuro-ophthalmologists to treat the number of patients with unexplained ocular pain and general ophthalmologists are having to take on the diagnosis and treatment of these patients. Organized in an easy-to-use manner, each case covers the following key elements: the chief complaint, history of the present illness, the examination, assessment and plan, follow-up, alternate perspective, summary points, and key references. Tables are also available to help the reader rapidly sort through cases that may apply to a sign, symptom, historical feature, diagnostic test or treatment option. This allows the practitioner who has a patient with a particular concern to use the tables to identify a case discussion. Additionally, A Case-based Guide to Eye Pain includes an appendices with the general approach to eye pain and anatomy of the trigeminal pathway and its relation to eye pain.

The third Antichrist is here, just as Nostradamus predicted—and Adam Sabir is the only man who can prevent hell from reigning on earth, in the final Nostradamus installmentFive centuries ago, Nostradamus wrote of three Antichrists. Two, Napoleon and Hitler, have already bathed the world in blood—but it is the third who will bring the Apocalypse. And his time has come. In the mountains of Moldova, a ruthless tyrant is hailed as the Second Coming of Christ. In the gypsy camps of Romania, a woman's unborn child could change the course of the world. In a polluted sinkhole in Mexico, four siblings pledge themselves to vengeance. Only scholar Adam Sabir, guardian of the lost prophecies of Nostradamus, knows what will happen when these destinies collide. He alone has decoded the identity of the Third Antichrist. He alone knows the one who can prevent this tyrant's rise. The fate of the world is in his hands. The countdown to Armageddon has begun.

"Love is the highest religion..." - Samael Aun Weor If you only want one book about real spiritual practice, The Perfect Matrimony has everything you need. Prepare yourself for a spiritual revolution. In fact, this book is so powerful that because of it, in 1950 the Catholic Church had Samael Aun Weor jailed. They accused him of " offending the public and healing the ill." The Perfect Matrimony is a complete introduction to the profound and beautiful mystical knowledge from which all the world 's great religions have blossomed. There is a sacred teaching, the source of the secret teachings of Judaism, Christianity, Buddhism, Taoism, Hinduism, Alchemy, Tantra, Kabbalah, and the mysteries of the Mayans, Aztecs, Egyptians, Tibetans, Eleusinians, Essenes, and hundreds more. All of them came from the same root knowledge. The Perfect Matrimony explains how to solve the problem that originated with Adam and Eve: an event clearly rooted in sex. Jesus also taught how to solve this problem (his first miracle was at a wedding, after all), but the church edited his teachings. When Samael Aun Weor publicly revealed the true teachings, the outraged church had him imprisoned in an effort to repress what he revealed. Everything that lives was created through sex. Just the same, the soul is created through sex, but not the sex of the common person. To create divinity, one must understand divine sexuality. Such knowledge has always been preserved in secret, held safely for those who demonstrated their ability to use it properly. Now, for the first time in history, that knowledge has been revealed openly: this book, originally published in 1950, marked its first public appearance. "Love is the highest religion..." - Samael Aun Weor, The Perfect Matrimony (1950) With the explanations in this book, you will understand not only many seemingly vague and incomprehensible scriptures, but also how all genuine spiritual practices work. After reading this book, religion and sex make sense. Moreover, you will see that religion is not found in organizations, buildings, or books, it is found in the heart that is inflamed with divine love.
