preschooler quickly and successfully, from potty-training expert, Pied Piper of Poop, and social worker Jamie Glowacki. Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her 6-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20–30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: ** How do I know if my kid is ready? ** Why won't my child poop in the potty? ** How do I avoid "potty power struggles"? ** How
