Directed by Bruce Fontaine. With Nickolas Baric, Raymond Chan, Osric Chau, Chengman. A weary undercover cop must maintain his cover while trying to save the daughter of a notorious Triad Boss from becoming collateral damage in a sting operation gone wrong.

Beyond Redemption (2015) - IMDb

In Beyond Redemption by Michael Fletcher, we have three emotionally stunted, savage and amusing warriors who wander a dark and wretched world leaving a trail of death and chaos behind them until they happen upon a potentially hugely lucrative heist: to steal a God. It doesn't go terribly well for all concerned, you'll be glad to hear.

At that point, the hero comes to a sad realization: the villain is Beyond Redemption. This is when a hero has been making a consistent effort to have a villain turn away from evil and become The Atoner, but eventually stops trying.

Beyond Redemption - TV Tropes

"They are beyond redemption - politically, they're damned," he says. "He called Sunday's election a 'farce,' 'rigged,' and 'flawed beyond redemption.'" "They may have made a mistake, but no one is [well, at least very few are] totally beyond redemption, as my story clearly illustrates."

Beyond Redemption | Definition of Beyond Redemption by ...

Beyond Redemption is a stunning novel set in a world that is brilliantly crafted. The central concept of insanity conveying powers is so well executed and our three protagonists: Bedeckt, Stehlen and Wichtig have entered the fantasy hall of fame on their first, and I hope not their last, outing. Why are you still reading this review?

These special rapporteurs should by this time realize that they, who believed in the untruthful advocacies of the electorally vanquished pretenders, have likewise been demolished, beyond redemption. Panelo: UN call for probe of PH drug deaths an 'outrageous interference on sovereignty'

Beyond redemption - definition of beyond redemption by The ...

Beyond Redemption, the first book in the Manifest Delusions series by Michael R. Fletcher is what I foresee as the beginning of a masterpiece series in the grimdark fantasy genre. "In a world where belief defines reality, the Gefahrg Geist is king." This was an incredibly dark, riveting start to a series.

Beyond Redemption (Manifest Delusions, #1) by Michael R ...

In a season seemed headed down an uninteresting and disjointed path, Beyond Redemption ended up being easily the best episode we have had since the Slade episode last season. Everything from the fantastic dramatic writing, to Lexi Alexander's great directing, this episode was a joy to watch.

Beyond Redemption - Ronald L. Dart - Born to Win

"A deeply researched and ambitious combination of political and cultural history, Beyond Redemption is a powerful and searching exploration of the violent aftermath of the Civil War in the Deep South. Carole Emberton's dedication to telling individual stories and her discussion of the multiple meanings of the suffering bodies of the freed people puts terror and its markers at the center of Deep South politics in this era.

HIM - Beyond Redemption Lyrics | AZLyrics.com

A darkly imaginative writer in the tradition of Joe Abercrombie, Peter V. Brett, and Neil Gaiman conjures a gritty mind-bending fantasy, set in a world where delusion becomes reality...and the fulfillment of humanity's desires may well prove to be its undoing.

A darkly imaginative writer in the tradition of Joe Abercrombie, Peter V. Brett, and Neil Gaiman conjures a gritty mind-bending fantasy, set in a world where delusion becomes reality...and the fulfillment of humanity's desires may well prove to be its undoing. When belief defines reality, those with the strongest convictions—the crazy, the obsessive, the delusional—have the power to shape the world. And someone is just mad enough to believe he can create a god...Violent and dark, the world is filled with the Geisteskranken—men and women whose delusions manifest. Sustained by their own belief—and the beliefs of those around them—they can manipulate their surroundings. For the High Priest König, that means creating order out of the chaos in his city-state, leading his believers to focus on one thing: helping a young man, Morgen, ascend to become a god. A god they can control. Trouble is, there are many who would see a god in their thrall, including the High Priest's own doppelgangers, a Slaver no one can resist, and three slaves led by possibly the only sane man left. As these forces converge on the boy, there's one more obstacle: time is running out. Because as the delusions become more powerful, the also become harder to control. The fate of the Geisteskranken is to inevitably find oneself in the Afterdeath. The question, then, is: Who will rule there?

In the months after the end of the Civil War, there was one word on everyone's lips: redemption. From the fiery language of Radical Republicans calling for a reconstruction of the former Confederacy to the petitions of those individuals who had worked the land as slaves to the white supremacists who would bring an end to Reconstruction in the late 1870s, this crucial concept informed the ways in which many people—both black and white, northerner and southerner—imagined the transformation of the American South. Beyond Redemption explores how the violence of a protracted civil war shaped the meaning of freedom and citizenship in the new South. Here, Carole Emberton traces the competing meanings that redemption held for Americans as they tried to come to terms with the war and the changing social landscape. While some imagined redemption from the brutality of slavery and war, others—like the infamous Ku Klux Klan—sought political and racial redemption for their losses through violence. Beyond Redemption merges studies of race and American manhood with an analysis of post-Civil War American politics to offer unconventional and challenging insight into the violence of Reconstruction.

"Forces even the most sophisticated to rethink and rework their ideas of how images work in the world."—School Library Journal." Traces the history of the swastika, from religious symbol to reviled symbol." More than 175 illustrations." Powerful examination of the impact of one graphic symbol on society. This acclaimed examination of the most powerful symbol ever created is now available in paperback. The rise and fall of the swastika, and its mysteries and misunderstandings, are fully explained and explored. Readers will be captivated by the twists and turns of the symbol's fortunes, from its pre-Nazi religious and commercial uses, to the Nazi appropriation and misuse of the form, to its contemporary applications as both a racist and an apolitical logo. In a new afterword, author Steven Heller discusses the controversy around ideas to ban the symbol and public reaction to the book since it was first published. This is a classic story, masterfully told, about how one graphic symbol can endure and influence culture for generations.Aliworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

At the end of Reconstruction, the old order reasserted itself, to varying degrees, throughout the former Confederate states. This period—Redemption, as it was called—was crucial in establishing the structures and alliances that dominated the Solid South until at least the mid-twentieth century. Texas shared in this, but because of its distinctive antebellum history, its western position within the region, and the large influx of new residents that poured across its borders, it followed its own path toward Redemption. Now, historian Patrick G. Williams provides a dual study of the issues facing Texas Democrats as they rebuilt their party and of the policies they pursued once they were back in power. Treating Texas as a southern but also a western and a borderlands state, Williams has crafted a work with a richly textured awareness unlike any previous single study. Students of regional and political history will benefit from Williams' comprehensive view of this often overlooked, yet definitive era in Texas history.

Although the negative consequences of rising incarceration rates have been well-established, criminological research has largely neglected to document psychological, social, and behavioral changes that occur during periods of incarceration. Drawing on an original longitudinal study of long-term French prisoners, this book examines the process of desistance from crime and positive growth in prison. It offers reflections on how personal transformation can be achieved in prison, particularly among individuals serving long prison sentences. This research investigates the barriers to achieving positive growth in prison, as well as the different ways in which transformation can occur behind bars. It also conceptualizes the process of abandoning crime in prison, and sheds light on the cognitive, social, and structural factors that may trigger, accelerate, or hamper this process. This book explores the circumstances under which individuals can thrive in prison, and identifies key features of the narratives of prisoners who have achieved positive growth. The research presented in this book also examines the intricacies of returning to society after a lengthy period of time in prison. Written in a clear and accessible style, this book will be invaluable reading for those engaged in studies of criminology and criminal justice, sociology, criminal behavior, prisons, and penology. It is also aimed at a variety of audiences, including academics, practitioners, policy-makers, and prisoners.

Although long-winded and only covering a period of fifteen traumatic years, this biography is a true account of hidden child abuse. It is not for the faint-hearted. Kat Ward relates, with utter candour, her experiences at the hands of the mother who hated her even before she was born, her step-father, who regarded her as something to be used on a whim and her step-father's friends -- to whom he 'sold' her. Even with so-called 'professionals' involved and despite the fact that Keri told the truth to her teacher, priest, social workers and child psychiatrist, nothing got better. In fact, things got worse and worse.

Examines the history of the graphic image, including its beginnings in antiquity, pre-World War II religious and commercial uses, Nazi appropriation, and its place in popular culture as a racist icon.

Bedeckt defined himself by the list of crimes he was unwilling to commit. It was such a short list. How could straying from it have gone so wrong? Now Bedeckt must undo the damage caused by wandering from his precious list. The Geborene god seeks to remake the world with his obsessive need for cleanliness and perfection, but Bedeckt is going to bring him down. Nothing can stop him. Not even death. The two friends he abandoned in the Afterdeath chase after Bedeckt, bent on revenge. Psychotic assassins hunt him. Something cold and evil follows, lurking in the clouds above, shredding reality with its delusions. Madness and sanity war, stretching and tearing the very fabric of existence. The dead shall rise.

What was the cost Yeshua (Jesus) paid to redeem us from our captivity? This book revisits crucifixion, in general, and more specifically Messiah Yeshua's crucifixion. It speculates on the true cost of our redemption.

At the end of Reconstruction, the old order reasserted itself, to varying degrees, throughout the former Confederate states. This period—Redemption, as it was called—was crucial in establishing the structures and alliances that dominated the Solid South until at least the mid-twentieth century. Texas shared in this, but because of its distinctive antebellum history, its western position within the region, and the large influx of new residents that poured across its borders, it followed its own path toward Redemption. Now, historian Patrick G. Williams provides a dual study of the issues facing Texas Democrats as they rebuilt their party and of the policies they pursued once they were back in power. Treating Texas as a southern but also a western and a borderlands state, Williams has crafted a work with a richly textured awareness unlike any previous single study.
