Studying Jesus' conversations with diverse people in his day, Jerram Barrs draws lessons and principles for attractively communicating the gospel to unbelievers in our day. Living in a culture that is opposed to Christianity tempts God's people to conform, to retreat, to be silent. But Jesus showed the way to live faithfully before an unbelieving world. As the greatest evangelist, Jesus exemplified how to attract people to the gospel. He modeled how to initiate spiritual conversations full of grace and truth. Christian evangelism, then, both in theory and practice, must be shaped by his pattern. Seeking to articulate the passions and principles present in Christ's life and words, longtime L'Abri staff member Jerram Barrs has studied Jesus' diverse encounters with people throughout the Gospels. Each chapter of Learning Evangelism from Jesus recounts one of those stories, draws useful lessons for readers' lives and communication of the gospel, and concludes with questions for further reflection and application. This highly practical book will guide Christians in how to live before unbelievers and how to love them into the kingdom, just as Jesus did.

Suffering and exclusion are normal in a believer's life. At least they should be. This was certainly Jesus's experience. And it's the experience of countless Christians around the world today.No matter your social location or set of experiences, the biblical letter of 1 Peter wants to redefine your expectations and reinvigorate your hope.Drawing on years of ministry in a Muslim-majority nation, Elliot Clark guides us through Peter's letter with striking insights for today. Whether we're in positions of power or weakness, influence or marginalization, all of us are called to live and witness as exiles in a world that's not our home. This is our job description. This is our mission. This is our opportunity.A church in exile doesn't have to be a church in retreat.

Some books hope to persuade the reader by reasoned arguments that might stand up to scrutiny. Conversely, this work simply reveals the meaning of Scripture to its lover and provides every Christian with a straightforward and irrefutable key to understand Mary's role and dignity in salvation history according to the Evangelists in their Gospels. After seeing the evidence organized in an easy-to-read way, arcane arguments, long dividing Christians, simply become irrelevant as the reader experiences the Scriptures revealing themselves in their fullness. Who are Jesus's brothers and sisters? Who are his family members who opposed his ministry? Does Scripture teach Mary's perpetual virginity? What is Joseph's family tree? Why do Jesus and Mary sometimes appear to be at odds in the New Testament? Each and every question does not require a tortuously reasoned argument to some purportedly probable conclusion. Rather, each question is plainly answered by reading the Scriptures through their own dependence on prior Scripture as key to their meaning and interpretation.

What does the Bible really teach about the roles of men and women? Bible scholar Wayne Grudem carefully draws on 27 years of biblical research as he responds to 118 arguments often levied against traditional gender roles. Grudem counters egalitarian and feminist critiques with clarity, compassion, and precision, showing God ' s equal value for men and women while celebrating the beauty in their differences.

For more than forty years, Robert E. Coleman's bestselling The Master Plan of Evangelism has been the standard in evangelism literature. But what is the theology behind evangelism? And why is it important for Christians to understand? The Heart of the Gospel offers a systematic theology of evangelism that will ground and inform our practice of spreading the Good News. Each chapter covers a major biblical doctrine, explains its various evangelical interpretations, treats misconceptions that adversely affect evangelism, and offers practical applications of the doctrine. Based on decades of classroom teaching, this comprehensive work is aimed at ministry readers interested in evangelism and outreach.

Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.
