Big Sky Country is the first book in Linda Lael Miller's new series, Swoon-Worthy Cowboys. I am a huge fan of Linda Lael Miller and have found another great series to love. This book is about so many things. The love of a step father, the hurts that a father can cause, forgiveness, acceptance, overcoming the past, healing.

Oh I found me a new author!! I thoroughly enjoyed all of the "Big Sky" books and have read each one. If I was to find fault I would say Linda Lael Miller drags out the anticipatory anxiety of the romance a bit too much and the romantic couple seem to get together all of a sudden at the end of the book.
