The one job that even the best mechanics avoid is wiring. Those worries are now over with help from the revised edition of "Advanced Custom Motorcycle Wiring." This book uses Chapter One to cover the basics of DC electricity and Chapter Two to explain batteries, starters, and alternators. It goes on to cover the schematics and factory harnesses for both early and late-model Harley-Davidsons. Jeff Zielinski, owner of NAMZ Custom Cycle Products and wiring harness and component designer, is the author of this revised Motorcycle Wiring book. In addition to a discussion of factory Harley-Davidson wiring harnesses, Jeff describes at length the various harness options available to a person building a custom bike. Is it better to build a harness from scratch, or install a ready-made harness kit? What's the easiest way to route all those wires through the top frame tube and the handle bars? These questions and many more are answered in this book. Inside you will find over 350 color photos and wiring illustrations spread across 144 pages. Everything from basic chopper wiring diagrams and schematics to complex factory schematics - as well as a complete, start-to-finish harness install sequence.

American Motorcyclist magazine, the official journal of the American Motorcyclist Associaton, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

An amazing trip through Japanese pop culture! Have an extraordinary encounter with Japanese design culture without boarding a plane or even leaving your home, with Tokyo Clash. Author and photographer, Ralf Bhren, presents Japan's mega city in a visually stunning collection of images, vividly colorful and rich in contrast. Readers are taken on an exciting trip through the everyday life of the Japanese, a world that doesn't want to conform to the clich of Asian reticence in the least. This delightful book promises appealing, provocative, and sometimes absurd insights into a completely foreign world.

Yamaha YZF-R1 1998-2003

The Harley Davidson is more than just a motorbike - for many enthusiasts it's a lifestyle statement. This stunning book packed with 500 color photographs celebrates that lifestyle, as well as covering the complete history of this 20th Century icon. From Marlon Brando to Billy Idol, every celebrity over the last 50 years wanting to promote a cool, tough image has been photographed astride one of these legendary machines. Packed with various model photos, colorful memorabilia and celebrity pictures, this book celebrates Harley Davidson history in a classy photographic style.

FOOD ETHICS, 2E explores the ethical choices we make each time we eat. With twenty-six readings that bring together a diverse group of voices, this textbook dives into issues such as genetically modified foods, animal rights, population and consumption, the food industry's impact on pollution, centralized versus localized production, and more. In addition, this edition includes new introduction, new readings, a comprehensive index, and study questions that frame these significant issues for discussion and reflection. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Practical advice for anyone looking to increase the power of their motorcycle through turbocharging or supercharging. This valuable guide contains sections on ram air induction, fueling, electronic fuel injection, nitrous oxide, plus chapters on choosing the right bike for power boosting and factory turbo bikes.

Every red-blooded motorcyclist dreams of making the Big Trip--this updated fifth edition shows them how. Choosing a bike, deciding on a destination, bike preparation, documentation and shipping, trans-continental route outlines across Africa, Asia and Latin America, and back-country riding in SW USA, NW Canada and Australia. Plus--first hand accounts of biking adventures worldwide.
