Almost every book by Indian author has some or an other letter which is some sort of a love letter or something to fill up pages. The dream that aarav gets at the end was uncalled for. Dibakar and Kishnendu are rightly shown as soul less people. Overall as the name suggests, the love was baked only on aaravs side and raw the other side.

'A tender and beautifully written tour-de-force on love, grief, hope and cake. If this is not the book of the summer, I will eat my wig. An absolute triumph' The Secret Barrister 'An utterly beautiful, moving, bittersweet book on love and loss. I loved it' Dolly Alderton At the moment her mother died, Olivia Potts was baking a cake, badly. She was trying to impress the man who would later become her husband. So she ate the cake, completely unaware that, 275 miles away, her mother was dying. Afterwards, grief pushed Olivia into the kitchen. She came home from her job as a criminal barrister miserable and tired, and baked soda bread, pizza, and chocolate banana cake. Her cakes sank and her custard curdled. But she found comfort in jams and solace in pies, and what began as a distraction from grief became a way of building a life outside grief, a way of surviving, and making sense of her life without her mum. And so she concocted a plan: she would begin a newer, happier life, filled with fewer magistrates and more macarons. She left the bar and enrolled on the Diplôme de Pâtisserie at Le Cordon Bleu, plunging headfirst into the eccentric world of patisserie, with all its challenges, frustrations and culinary rewards - and a mind-boggling array of knives to boot. Interspersed with recipes ranging from passionfruit pavlova to her mother's shepherd's pie, this is a heart-breaking, hilarious, life-affirming memoir about dealing with grief, falling in love and learning how to bake a really, really good cake. *** 'A heart-wrenching yet humorous portrayal of grief, a delicious collection of recipes, an inspirational tale of changing careers, and a feel good love story' Vogue 'Funny, sharp and sad. I laughed so much (and I cried)' Ella Risbridger, author of Midnight Chicken 'A brilliant, brave and beautiful book: funny and charming; utterly inspiring and life-affirming' Olivia Sudjic

From the author of Half Baked Harvest comes her second cookbook with 125 show-stopping recipes made simple: fewer ingredients, fool-proof meal-prepping, easy entertaining, and everything in between. Tieghan Gerard is known, both on her blog and in her debut cookbook, Half Baked Harvest Cookbook, for her stunningly beautiful meals and thoughtful recipes that taste even better than they look. Half Baked Harvest Super Simple takes what fans loved most about her debut, and promises all of those comfort-food forward, freshly-sourced recipes distilled into quicker, more manageable dishes using trending techniques that sell—from the almighty Instant Pot to night-before meal prep. Super Simple is the compendium for home cooks who are just starting out or pressed for time. It teaches the most important cooking basics and delivers sometimes good-for-you, always hassle-free meals without sacrificing taste. Whip up everyday dishes like Cardamom Apple Fritters, Spinach and Artichoke Mac and Cheese, and Lobster Tacos to share with your family, or plan stress-free dinner parties with options like Slow Roasted Moroccan Salmon and Fresh Corn and Zucchini Summer Lasagna.

Whether you need to get dinner on the table for your family tonight or are planning your next get-together with friends, Half Baked Harvest Cookbook has your new favorite recipe. Tieghan Gerard grew up in the Colorado mountains as one of seven children. When her dad took too long to make dinner every night, she started doing the cooking—at age 15. Ever-determined to reign in the chaos of her big family, Tieghan found her place in the kitchen. She had a knack for creating unique dishes, which led her to launch her blog, Half Baked Harvest. Since then, millions of people have fallen in love with her fresh take on comfort food, stunning photography, and charming life in the mountains. While it might be a trek to get to Tieghan's barn-turned-test kitchen, her creativity shines here: dress up that cheese board with a real honey comb; decorate a standard salad with spicy, crispy sweet potato fries; serve stir fry over forbidden black rice; give French Onion Soup an Irish kick with Guinness and soda bread; bake a secret ingredient into your apple pie (hint: it's molasses). And a striking photograph accompanies every recipe, making Half Baked Harvest Cookbook a feast your eyes, too.

This impressive debut novel, longlisted for the 2020 Booker Prize, takes its premise and inspiration from ten of the best-known thought experiments in philosophy—the what-ifs of philosophical investigation—and uses them to talk about love in a wholly unique way. Married couple Rachel and Eliza are considering having a child. Rachel wants one desperately, and Eliza thinks she does, too, but she can't quite seem to wrap her head around the idea. When Rachel wakes up screaming one night and tells Eliza that an ant has crawled into her eye and is stuck there, Eliza initially sees it as a cry for attention. But Rachel is adamant. She knows it sounds crazy—but she also knows it's true. As a scientist, Eliza is skeptical. Suddenly their entire relationship is called into question. What follows is a uniquely imaginative sequence of ten interconnecting episodes—each from a different character's perspective—inspired by some of the best-known thought experiments in philosophy. Together they form a sparkling philosophical tale of love lost and found across the universe.
