This course provides optimum IELTS Academic preparation in the classroom and at home for students working in a band score of 4.5-5.5.

"A welcome tribute to the persistence, precision and humanity of Washington Roebling and a love-song for the mighty New York bridge he built." -The Wall Street Journal Chief Engineer is the first full biography of a crucial figure in the American story-Washington Roebling, builder of the Brooklyn Bridge. One of America's most iconic and recognizable structures, the Brooklyn Bridge is as much a part of New York as the Statue of Liberty or the Empire State Building. Yet its distinguished builder is too often forgotten-and his life is of interest far beyond his chosen field. It is the story of immigrants, the frontier, the Civil War, the making of the modern world, and a man whose long life modeled courage in the face of extraordinary adversity. Chief Engineer is enriched by Roebling's own eloquent voice, unveiled in his recently discovered memoir, previously thought lost to history. The memoir reveals that his father John-a renowned engineer who made his life in America after humble beginnings in Germany-was a tyrannical presence in Roebling's life. It also documents Roebling's time as a young man in the Union Army, when he built bridges that carried soldiers across rivers and saw action in pivotal battles from Antietam to Gettysburg. Safely returned, he married the remarkable Emily Warren Roebling, who would play a crucial role in the construction of the Brooklyn Bridge, Roebling's grandest achievement-but by no means the only one. Elegantly written with a compelling narrative sweep, Chief Engineer introduces Washington Roebling and his era to a new generation of readers.

Cambridge IELTS 10 provides students with an excellent opportunity to familiarise themselves with IELTS and to practise examination techniques using authentic test material prepared by Cambridge English Language Assessment. It contains four complete tests for Academic module candidates, plus extra Reading and Writing modules for General Training module candidates. An introduction to these different modules is included in each book, together with with an explanation of the scoring system used by Cambridge English Language Assessment. A comprehensive section of answers and tapescripts makes the material ideal for students working partly or entirely on their own.

Cambridge IELTS 11 contains four authentic IELTS past papers from Cambridge English Language Assessment, providing excellent exam practice. The Student's Book with answers allows students to familiarise themselves with IELTS and to practise examination techniques using authentic tests. It contains four complete tests for Academic candidates. An introduction to these modules is included in the book, together with an explanation of the scoring system used by Cambridge English Language Assessment. There is a comprehensive section of answers and tapescripts at the back of the book. Audio CDs containing the material for the Listening Tests, and a Student's Book with answers with downloadable Audio are sold separately. These tests are also available as IELTS Academic Tests 1-4 on Testbank.org.uk

Complete IELTS combines the very best in contemporary classroom practice with stimulating topics aimed at young adults wanting to study at university.
