When Violet runs away from home in 1918 to find her suffragist sister, she ends up in Nashville, Tennessee, where "Suffs" and "Antis" are gathered, awaiting the crucial vote on the nineteenth amendment.

In 1961 after Castro has come to power in Cuba, fourteen-year-old Lucia and her seven-year-old brother are sent to the United States when her parents fear that the children will be taken away from them as others have been.

Sixteen-year-old Lorena Leland's dreams of a rich and fulfilling life as a writer are dashed when the stock market crashes in 1929. Seven years into the Great Depression, Rena's banker father has

Where To Download Business Communication

retreated into the bottle, her sister is married to a lazy charlatan and gambler, and Rena is an unemployed newspaper reporter. Eager for any writing job, Rena accepts a position interviewing former slaves for the Federal Writers' Project. There, she meets Frankie Washington, a 101-year-old woman whose honest yet tragic past captivates Rena. As Frankie recounts her life as a slave, Rena is horrified to learn of all the older woman has endured--especially because Rena's ancestors owned slaves. While Frankie's story challenges Rena's preconceptions about slavery, it also connects the two women whose lives are otherwise separated by age, race, and circumstances. But will this bond of respect, admiration, and friendship be broken by a revelation neither woman sees coming?

ALERT: Before you purchase, check with

carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise fundamentals for students. Ultimate flexibility for instructors. This bestselling, brief alternative for the OB course covers all the key concepts needed to understand, predict, and respond to the behavior of people in real-world organizations. This text also includes cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. The eleventh edition contains expanded and updated coverage on international issues, as well as new sections on the management of information, safety and emotions at work, risk aversion, self-determination theory, managing information, and downsizing.

The AAP's authoritative guide on preventing, recognizing, and treating more than 200 childhood infectious diseases. Developed by the AAP's Committee on Infectious Diseases as well as the expertise of the CDC, the FDA, and hundreds of physician contributors.

Where To Download Business Communication

Born of contradiction, battered by bloody conflict, a young soldier desperately tries to find his way back home. Jim Dockery was as unlikely soldier for the Confederate cause. His father, General Alfred Dockery, was Richmond County's most prominent opponent of secession and most vocal advocate for black suffrage. Yet he was also the owner of the county's grandest plantation with one of its largest concentrations of slaves. Though he opposed the war, General Dockery sent six sons to fight for the Confederacy. Jim, the youngest of Alfred's soldier sons, follows a Civil War path that takes him through some of the war's bloodiest conflicts, and into the North's deadliest prisons. He daily risks his life for a cause of which he is uncertain, his real cause being to one day get back home.

Drug Utilization Research (DUR) is an

Where To Download Business Communication

eclectic scientific discipline, integrating descriptive and analytical methods for the quantification, understanding and evaluation of the processes of prescribing, dispensing and consumption of medicines and for the testing of interventions to enhance the quality of these processes.

The discipline is closely related and linked mainly to the broader field of pharmacoepidemiology, but also to health outcomes research, pharmacovigilance and health economics. Drug Utilization

Research is a unique, practical guide to the assessment and evaluation of prescribing practices and to interventions to improve the use of medicines in populations.

Edited by an international expert team from the International Society for Pharmacoepidemiology (ISPE), DUR is the only title to cover both the methodology and applications of drug utilization research and covers areas such

Where To Download Business Communication

as health policy, specific populations, therapeutics and adherence.

The Darker Side of Travel is a contemporary and comprehensive analysis of dark tourism. Drawing on existing literature, numerous examples and introducing new conceptual perspectives, it develops a theoretically informed foundation for examining the demand for and supply of dark tourism experiences. It also explores issues relevant to the development, management and interpretation of visitor sites and attractions associated with death, disaster and suffering.
