unrivalled coverage of quantitative, qualitative, and mixed methods with renewed focus and a fresh, modern feel.

Most researchers in organization and management studies stick to two or three traditional research methods like surveys and interviews. Sticking with the familiar is seen

Download Ebook Business

Research Methods Alan Bryman
as a safe bet, and innovation is discouraged by academic incentives and rewards. But research participants are now suffering from 'survey fatigue', and using the same old methods runs the risk of generating the same old findings. This book describes twelve unconventional methodologies in

Download Ebook Business

Research and
management research.
These include
unconventional research
settings and data
sources, unconventional
research designs and
data collection methods,
unconventional analytic
approaches, and designs
and methods that exploit
new technology
developments. The aim
is to encourage dialogue

Download Ebook Business

and experimentation
with regard to the
development of
innovative,
unconventional
approaches to
organization and
management research.
Several commentators
have criticized the way
in which research
methods have become
more formulaic, and
have argued for greater
