II

In the coming year,II she said, hoisting her blindingly clean and gleaming glass into the air, (may half of all your dreams come true.)(Mom.) I said to her, (isn't that kind of pathetic?) (Well, it's realistic.) It's her thirty-sixth birthday, and she really thought things would be different this year!that she'd have figured out men and how to get along with her narcissistic parents enough to survive a birthday celebration. But nothing's changed. Her disappointing day is capped off by the delivery of a huge bouquet of flowers from Carl, with whom she has recently, and bitterly, split. A gesture of reconciliation? Of passive aggression? She's too unhinged to tell. It's My F---ing Birthday unfolds in seven state-of-my-life addresses this hapless high school art teacher writes to herself on consecutive birthdays, as she is determined to break the patterns of behavior that are keeping her down. Her objective: to avoid making the same mistakes over and over and start making some new ones. Through seven outrageously funny years of needling parents, self-absorbed boyfriends, riots, O.J., and Monica!and bigger and bigger bouquets from Carl!she navigates a circuitous (and ultimately successful) route to happiness in a world where everything seems to conspire to the contrary. What I Learned This Year That I Need to Remember
1. No more taking the bait from Mom. Even if the fight becomes about not taking the bait.
2. No more dwelling in the past.
3. Try much harder to continue being a vegetarian. This will limit the restaurants the folks can take me to.
4. No more trying to decode the flowers from Carl. If he sends them again, just think of them as a fun, free thing, like a little sample box of cereal or detergent that suddenly appears in the mailbox.
5. Don't make a big deal out of the fact that there were no guys this year. Perhaps that's a better thing than continuing to get involved with guys who exhibit behavior from the beginning that indicates the whole thing is completely hopeless. So try to remember the above as a coping strategy when I am so crazed with horniness that I want to throw myself off a building.
6. No more mumbo jumbo. This means no more calling 900 astrology numbers listed at the end of horoscopes in women's magazines to find out my love forecast. And no more going to psychics, no matter how dicey things get.

It has been seventeen years since Rick Potter's life fell apart in a mess of family drama. After a botched robbery and the brutal murder of his spouse, Rick escapes to Shanghai to distance himself both geographically, and emotionally, from the tragic events that haunt him. When Rick decides it is time to make a quick visit to Los Angeles to see his sons, he finds that history is about to repeat. Unbeknownst to Rick, the timing of his visit coincides with the release of his daughter-in-law, Kendra, who was convicted of murdering his wife. Kendra was framed for the crime and is hell bent on revenge. On his last night in town, Rick reluctantly agrees to meet his first wife, Tara, for dinner at a pretentious bistro, unaware that this would be her last meal on earth. After his return to China, while sipping tea at his favorite teahouse, he is approached by two serious-looking cops--undoubtedly, the harbingers of another dark saga. It doesn't surprise him to be considered a suspect in the investigation--it was just his f\*\*\*ing luck to have both of his wives murdered. Author Rick Tuber takes readers on an amusing and chaotic ride in this, a "noirmedy" (noir + comedy) that is the unravelling of Rick Potter's sequel to Should Have Seen It Coming. His particular brand of humor in the darkest of situations will compel you to laugh at the characters as much as dreading the consequences.

Many people live their lives on auto-pilot, and usually don't take the time to ask if it truly serves them or not. This book delves into the spiritual holdings that most people carry around, and tools to help move beyond them. With the use of humor and personal experiences, throughout the book, these tools can be more easily applied to a broader range of individuals. It's basically a crash course in spirituality for dumbasses! For too long, spirituality has been enshrouded in an air of superiority and 'holier than thou-ness'. This book aims to appeal not only to the higher ups, but also to those who are newbies, and are in dire need of guidance. After all, there is a pressing need for humanity to become more unified, and whole in order to progress. We can only move forward if we all move together in unity!

This book is based on reality and not even a single event is fictitious. Written with an aim to highlight the sacrifices made by a father, it is a solemn dedication to a father from his twin daughters. We wish and hope our readers would be enthralled while reading the book. At the same time, we hope this book proves a source of self- introspection to actually feel the value of a father. Our cordial thanks to all our readers. Happy reading!

This is a love story about lust of the heart and soul, not about the lust of the physical body. Lust is when you love only what you see with your eyes. Love is when you lust for what is inside a person. Love is the most misunderstood word in world. It is just a clichd term mostly mistaken for physical intimacy. This is so sadly mistaken because love is not about dating or desiring someone physically and sexually. Love is not just about having sex to fulfill your sexual desires or fantasies. My introduction to Mashalany's magic is powerful and intoxicating. I was a butterfly until he caught me in his net paralyzed, unable, and unwilling to escape. I am totally his. He is like the wind! cant see him but I can feel him. Mashalany touches my heart without touching my body. My heart melts with just his voice saying my name. Infatuation or physical lust is a short-term gratification and offers nothing worth saving. Infatuation is temporary and blind; it will also shatter because it is fragile. The heart and soul is real strength for endurance during painful, challenging times. Mashalany has awakened my soul, and he started the fire in my heart crave for more. He proves intimacy is not purely physical, his dominant connectivity is deep into my soul. Mashalany defines the true meaning of love. He proves heart and soul is not an impetuous passion. He shows the element of calm that looks beyond mere externals with great wisdom, devotion, and discrimination that is real and abiding. He is selfless, yet ready for sacrifice. I was overwhelmed by his patience and gradual victory of penetrating my heart and soul. Mashalany touched my lifelm privileged. Mashalany touched my heart Im blessed. Mashalany touched my mindIm honored. Mashalany touched my soulI have received victory and triumph. And Mashalany touched my spirit for a miracle.

The King and his noblemen pursued a life of unbridled lust with those that submitted to their power by choice or for the unfortunate, in the dungeons below the castle where bondage insured their submission. Nothing is forbidden for the privileged, not even the unspeakable taboos of society. "King's Dungeon" is set in the 11th century where men dominate and woman had no choice but to submit to any and all demands a man could conceive. King Rulf, after conquering his enemies, returns to take his rightful place on the throne with a wife to bear him many heirs. But there is always time to find his pleasures in the bedrooms of any woman he desires or to satisfy his jaded lust in the dungeons.

Eleven-year-old Zach has magical powers, just like everyone in his family, but he's having trouble harnessing his abilities. To help his powers manifest, and to help him appreciate his natural gifts, Zach's parents decide that he needs to be around 'real' people more. No more homeschooling - it's time for Zach to enter the scary world of secondary school. Zach can't resist a bit of magic though, but a simple spell ends with him and his best friend stuck in a vending machine. Someone filmed it and by the next day he's gone viral on YouTube, in the process attracting the attention of Rachel, the prettiest girl at school. With everyone wondering how Zach does his tricks, and with head mean girl Trisha plotting to bring him down, Zach's got his work cut out if he's going to survive year 7 and keep his dreams of becoming a master magician intact.
