In honor of the 87th anniversary of William Luther Pierce's birth on 11 September 1933. by Dr. William L. Pierce. THE MOTTO of Israel's spy agency, Mossad, is, according to recently defected Mossad agent Victor Ostrovsky: "By way of deception thou shalt do war.". That motto describes more than the modus operandi of the world's most ruthless and feared organization of professional assassins and espionage agents; it really describes the modus vivendi of an entire race.

BY WAY OF DECEPTION Israel pulls a fast one – and gets caught T he Israelis are riding high, these days – but not, perhaps, for long. Ever since 9/11, the Israeli government and its American amen corner have been making the point that Israel's fight is now America's fight, and this argument has met with some success.

~~By Way of Deception, by Justin Raimondo~~

Your future has been written: By Way of Deception While sitting in my 12th grade English class on the morning of September 11th 2001, I watched the attacks on the world trade center unfold on live TV. I felt helpless... and I began to feel sick. Before the 2nd tower even fell, the culprits were named by US officials and the mainstream media.

Criticizes Israel's spy agency, arguing it has helped drug traffickers in order to finance its operations, and acted in its own, rather than Israel's

interest

The first time the Mossad came calling, they wanted Victor Ostrovsky for their assassination unit, the kidon. He turned them down. The next time, he agreed to enter the grueling three-year training program to become a katsa, or intelligence case officer, for the legendary Israeli spy organization. *By Way of Deception* is the explosive chronicle of his experiences in the Mossad, and of two decades of their frightening and often ruthless covert activities around the world. Penetrating far deeper than the bestselling *Every Spy a Prince*, it is an insider's account of Mossad tactics and exploits. In chilling detail, Ostrovsky asserts that the Mossad refused to share critical knowledge of a planned suicide mission in Beirut, leading to the death of hundreds of U.S. Marines and French troops. He tells how they tracked Yasser Arafat by recruiting his driver and bodyguard; how they withheld information on the whereabouts of American hostages, paving the way for the Iran-Contra scandal; and how their intervention into secret UN negotiations led to the sudden resignation of ambassador Andrew Young and the downfall of his career. *By Way of Deception* describes the shocking scope and depth of the Mossad's influence, disclosing how Jewish communities in the U.S., Europe, and South America are armed and trained by the organization in secret "self-defense" units, and how Mossad agents facilitate the drug trade in order to pay the enormous costs of its far-flung, clandestine operation. And it portrays a network that has grown dangerously out of control, as internal squabbles have led to the escape of terrorists and the pursuit of "policies" completely at odds with the interests of the state of Israel. This document is possibly the most important and controversial book of its kind since *Spycatcher*.

Nuclear Deception The Mossad has uncovered Iran's plans to smuggle untraceable weapons of mass destruction into Israel. The clock is ticking, and agents Nir Tavor and Nicole le Roux can't act quickly enough. Nir and Nicole find themselves caught in a whirlwind plot of assassinations, espionage, and undercover recon, fighting against the clock to stop this threat against the Middle East. As they draw closer to danger—and closer to each other—they find themselves ensnared in a lethal web of secrets. Will they have to sacrifice their own lives to protect the lives of millions? Inspired by real events, authors Amir Tsarfati and Steve Yohn reteam for this suspenseful follow-up to the bestselling *Operation Joktan*. Filled with danger, romance, and international intrigue, this Nir Tavor thriller reveals breathtaking true insights into the lives and duties of Mossad agents—and delivers a story that will have you on the edge of your seat.

In the sequel to the explosive bestseller *By Way of Deception*, the former Israeli agent continues his incredible story of his career as a double agent and his disruption of shocking Mossad assassination plans. 150,000 first printing. \$75,000 ad/promo. Tour.

The Mossad has uncovered Iran's plans to smuggle untraceable weapons of mass destruction into Israel. The clock is ticking, and agents Nir Tavor and Nicole le Roux can't act quickly enough.

"It was the perfect day—until the gunfire." Nir Tavor is an Israeli secret service operative turned talented Mossad agent. Nicole le Roux is a model with a hidden skill. A terrorist attack brings them together, and then work forces them apart—until they're unexpectedly called back into each other's lives. But there's no time for romance. As violent radicals threaten chaos across the Middle East, the two must work together to stop these extremists, pooling Nicole's knack for technology and Nir's adeptness with on-the-ground missions. Each heart-racing step of their operation gets them closer to the truth—and closer to danger. In this thrilling first book in a new series, authors Amir Tsarfati and Steve Yohn draw on true events as well as tactical insights Amir learned from his time in the Israeli Defense Forces. For believers in God's life-changing promises, *Operation Joktan* is a suspense-filled page-turner that illuminates the blessing Israel is to the world.

"This book appeared in slightly different form in England under the title *The imperfect spies*, copyright 1989"--T.p. verso.

Eric Stone left the CIA to start his own spy agency, one that wouldn't find itself at the mercy of political gridlock. Simone Koole joined Mossad to serve the Israeli people through her own relentless commitment to her faith. When these two passionate patriots are thrust together into a life or death struggle against a common enemy, the sparks and bullets begin to fly. On the surface, they're engaged in a high-stakes effort to prevent an unacceptable shift of power in the Middle East. But not far beneath, another battle rages. Can they faithfully serve their countries and their God? And will the harsh realities of duty squelch the attraction they're beginning to feel? Fast-paced storytelling whisks readers along a globe-trotting glimpse into the hidden dimensions of international espionage in this timely and topical novel.

War hero and daughter to two Houses, Kira is just beginning to learn how deep the rabbit hole goes. Agreeing to accompany her father's people back to

their homeworld, Kira Forrest prepares for the fight of her life. She's agreed to undertake the Trial of the Broken, a rite of passage every member of her father's House must pass. It offers a path to independence and freedom that is too tempting to deny. Not everyone welcomes this lost daughter of Roake. There are those who fear what her presence might bring to light. Betrayal stalks the halls of Kira's birthplace—its roots embedded deep in the events that claimed her parent's lives and set her on her current path. Walking the wire's edge between truth and deception will test the person Kira has become as she separates ally from betrayer. An old enemy has put into motion a plan that could topple the balance of power in the universe. Letting them succeed spells doom—but the price might be more than Kira is willing to pay.
