In this fiendishly original new novel, Mark Leyner is a leather-blazer-wearing, Piranha 793-driving, narcotic-guzzling monster who has potential rivals eliminated by his bionically enhanced bodyguards, has his internal organs tattooed, and eavesdrops on the erotic fantasies of Victoria's Secret models -- which naturally revolve around him. Leyner's jet-propelled roller derby through the cultures of celebrity, cyberpunk, and rabid egotism is exhilaratingly bizarre, exhaustingly funny -- and you'd better hope it's just fiction.

Innovation transforms companies and markets. It's the key to solving vexing social problems. And it makes or breaks professional careers. But for all the enthusiasm the topic inspires, the practice of innovation - how to do it-has remained stubbornly impenetrable. No longer. In *The Little Black Book of Innovation*, leading thinker Scott D. Anthony draws from research, Innosight fieldwork with global giants such as Procter & Gamble, and personal experience launching and investing in start-up companies to demystify the discipline of innovation. With wit and remarkable insight born of years of both leading and teaching innovation, Anthony presents a simple definition of the concept, breaks down the essential differences between its various types, and illuminates its vital role in organizational success and personal growth.

A long time ago in a galaxy far, far away... A world is threatened. A young queen must save her people. A dark evil rises again. A young jedi is discovered. The journey begins.

"Originally published in single magazine form as Blue Estate #1-12"

Special topic volume with invited peer reviewed papers only

Collects The Rise of Ultraman (2020) #1-5. Ultraman rises at Marvel! In the darkness there lurk Kaiju – terrifying and unfathomable monsters. Between them and the rest of us stands the United Science Patrol! But who are these enigmatic defenders, and how do they perform their miracles? Shin Hayata and Kiki Fuji have spent half a lifetime trying to find out – and now their quest drives them toward a decades-old dark secret and a collision course with a mysterious warrior from beyond the stars! Kyle Higgins (Mighty Morphin Power Rangers), Mat Groom (Self/Made) and Francesco Manna (AVENGERS) reimagine the classic origin of a pop culture icon! The histories of two worlds, the experiences of two lives and the destinies of two heroes must reconcile as Ultra and Man struggle to become one – and if they don't, neither will survive!

In the aftermath of the Hyperspace Disaster, young Jedi Knight, Lily Tora-Asi is assigned to help displaced civilians relocate to Banchii, a newly inhabited planet in the Inugg system far in the outer rim. Banchii is the site of a new Jedi temple led by Master Arkoff, Lily's Wookiee mentor, who imagines the temple as a place of peace for new inhabitants and for those who are traveling beyond. While balancing the arrival of incoming settlers with the strange mysteries of this remote outpost, Lily wonders if she's doing enough to bring peace to the galaxy. But when hidden dangers begin to emerge, the young Jedi will face her greatest challenge yet . . . -- VIZ Media
