the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

"For a revision book I feel it has no weakness - it has everything the students need" Dr Claire McGourlay, Senior Lecturer in Law, University of Sheffield Law Express Question and Answer: Evidence is designed to help you get the most out of every answer you write by improving your understanding of what examiners are looking for, helping you to focus in on the question being asked and showing you how even a good answer can be improved.

Routledge Q&As give you the tools to practice and refine your exam technique, showing you how to apply your knowledge to maximum effect in assessment. Each book contains essay and problem-based questions on the most commonly examined topics, complete with expert guidance and model answers that help you to: Plan your revision and know what examiners are looking for: Introducing how best to approach revision in each subject Identifying and explaining the main elements of each question, and providing marker annotation to show how examiners will read your answer Understand and remember the law: Using memorable diagram overviews for each answer to demonstrate how the law fits together and how best to structure your answer Gain marks and
