Cryptocurrency had been viewed as a sort of amusement for a handful of the chosen who bought and sold something and believed that a new currency would make a hit one day! You surely were also among those people who did not take Bitcoin and cryptocurrency seriously, but the current events gag even the biggest skeptics. Current Bitcoin price is 6,644\$* The price of the most popular cryptocurrency repeatedly breaks all the unthinkable records. Capitalization is about \$120 billion World recognition The world's largest economies - India and Japan - recognized Bitcoin as the official currency. The US authorities recognized cryptocurrency as the asset. And this is just the beginning. Mining on an industrial scale The cryptocurrency market is extremely fast-changing, and it is almost impossible to monitor the situation and make the right decisions on your own. Most people have no proper experience, time and money for that. My book gives basic yet quite extensive information for those people who do not chase a rainbow but want to build a long-term profitable business in one of the cryptocurrency areas: from mining to investing. So, this book is not about: Illegal ways of making money Praising cryptocurrency and urging you to invest in it to the last penny Fraud techniques and making a fast buck Boring and pointless theory Ways to earn millions without investments and risks This book will help you get to learn the following: Which way of making money in cryptocurrency market suits you best. Where should you start if you have just \$500. What information about cryptocurrency the experts withhold (Take the rose-colored glasses off!). How to elaborate a personal strategy, set up your own cryptocurrency business and earn your first \$3,000-10,000 as early as 2018. I can also guarantee that you: Puzzle out the main present-day currency trend even if you are clueless about economics, finance and technology. Understand whether you really want to invest in cryptocurrency (perhaps, this type of business doesn't suit you at all and you will save your time) Get to learn how to check the risks and not to invest in the first available currency Having considered my experience, protect yourself from possible failures and pouring money down the drain which will inevitably happen if you go it blind. Thus, my goal is fairly simple: help you set up and develop business in one of the cryptocurrency areas. Find out 7 cryptocurrency investment strategies + 2 perfect strategies today! It is definitely Amazon Great Deal: You can read on your PC, Mac, smartphone, tablet or Kindle device.

Cryptocurrency market has been growing fast since its emergence in recent years. Moreover, digital finance has forged the convergence of profit motives with social objectives creating a class of large FinTech companies. In addition, the underlying technology innovation may be applied to a wide range of industries, not limited to financial sector. Yet, few researches have been done to study these phenomena. Hence, it is the task of this book to shed light on the introduction and trends in FinTech, blockchain and token sales. Richly illustrated with original lecture slides taught by the authors, Inclusive FinTech: Blockchain, Cryptocurrency and ICO hopes to dispel the many misconceptions about blockchain and cryptocurrencies (especially bitcoin, Initial Crypto-Token Offering or ICO), as well as the idea that businesses can be sustainable without a social dimension going forward. With comprehensive coverage given to the FinTech scene in Asia, it is targeted at those who are searching for business opportunities. Most important of all, this book seeks to change the mindset of a whole new generation that is familiar with digital economy and yearns for a more just and equitable world.

If you were born before 1990, this may be the most valuable financial message you ever read... Something incredible is happening right now... An entirely new asset class is being created... One that is making more people rich than any other financial market. For example... If you had invested just \$100 in Bitcoin on January 1st 2017, you'd have \$1004 today - not bad right? What about if you'd also put \$100 into Ethereum on the same day? Well you'd have over \$8,500. Let's do one more. \$100 in Ripple on January 1st 2017 would be worth a staggering \$14,300 today. That's over a \$20,000 return from a \$300 investment. Or over \$200,000 if you'd put in \$3,000. A life changing amount of money. You won't find these kinds of returns in the stock market. Or any other financial market. And this is just the beginning. Now we're seeing real world adoption from leading financiers to governments to investment banks. And what you may not know is, private investments in blockchain companies have increased by 800% in the past 12 months. Cryptocurrency is moving beyond a speculation, and into a fully fledged asset class. In this book you'll discover: How you can buy your first Bitcoin, Ethereum or Litecoin in under 15 minutes, with nearly no technical knowledge. If you've ever bought anything online, you can buy cryptocurrency An easy way to save up to \$20 per transaction (this "no-brainer" strategy is almost always overlooked by new investors) What Bitcoin futures really mean for the market How to invest in cryptocurrencies tax free A coin that pays you for your unused bandwidth (a fantastic passive income opportunity) Secrets learned from a 6 figure a year penny stock trader which are directly applicable to trading cryptocurrency The "trading suicide" moves that unsuccessful traders do every day (including a subtle, yet deadly psychological mistake losing traders almost always make) How to invest in publicly traded blockchain companies, using your regular brokerage account A coin with transaction fees of a fraction of a penny and just partnered with a Fortune 500 company. This one is poised for a big 2018. 5 golden rules to help you protect your investment ...and much, much more. Plus 2 free bonuses inside. This blockbuster bundle contains 4 books jam packed with all the information you need to profit big time from cryptocurrency. Plus crucial tips about protecting your investment and minimizing volatility. But you must act fast. Because with more and more adoption, comes higher prices. You don't want this to be another "if only I'd invested back then..." moment So if you don't want to miss out on the fastest growing financial market of your lifetime. An opportunity which could accelerate your retirement by 5 or even 10 years. Click "add to cart" to receive your book instantly
