You can swap out anything appearing in the foreach section for whatever symbols you'd like to practice. So far, it has seemed to work with just about everything I've thrown at it, so give it a try! If you have any ideas for improvements or generate cool worksheets, let me know and I'd be more than happy to link and share them here!

Writing activities for practicing handwriting skills.

Letter of the Week Packet for the letter D that includes crafts, activities, writing practice, path of motion, introducing the letter cards, a song, path of motion practice, reading literacy, writing center activity, dot to dot, maze, game, little book, and four crafts and lesson plans with suggestions for utilizing the activities over a five day period. In this Letter of the Week packet, our friendly character Glimmercat, introduces the letter to children, and walks with them through their journey of discovering exciting sounds and new words that begin with each new letter. Over 40 pages of activities Because of the emphasis on learning the sounds, this is an excellent phonics prep program for PreK. Because we have a large Homeschool following, I include scripted lesson plans in each letter of the week packet. We also try to make sure that every day has a theme as move through the letter of the week. Children like to be able to predict, and knowing that one day will all be about apples, is comforting and exciting for them at the same time. These are just some of the projects and activities in our letter curriculum: Letter Crafts Letter Games Letter Mini Books Letter Dot to Dot Letter Practice Letter Path of Motion Letter Song Letter Cards What are teachers saying about this Letter of the Week Bundle: "It was a great resource to use with my child's learning. Enjoyed each activity. Highly recommend others to download and use within class or home setting with variable age group." -- Marcela Castro "This resource has been a lifesaver for my

son who is out of preschool due to Covid-19. I have been using the activities with him everyday and he is making awesome growth with his letter names and sounds. The activities are so fun as well." -- Catherine D. "My students with severe cognitive impairments loved this resource. I liked that there were a large variety of activities at different levels for students to engage in. It also had clear directions that my paraprofessionals were able to use to engage the students." -- Laura Berenguer

Includes abstracts of magazine articles and "Book reviews".
