best-loved actors Born the son of a Billingsgate market porter at the height of the Second World War, David Jason spent his early life dodging bombs and bullies, both with impish good timing. Giving up on an unloved career as an electrician, he turned his attention to acting and soon, through a natural talent for making people laugh, found himself working with the leading lights of British comedy in the 1960s and '70s: Eric Idle, Michael Palin, Bob Monkhouse and Ronnie Barker. Barker would become a mentor to David, leading to hugely successful stints in *Porridge* and *Open All Hours*. It wasn't until 1981, kitted out with a sheepskin jacket, a flat cap, and a clapped-out Reliant Regal, that David found the part that would capture the nation's hearts: the beloved Derek 'Del Boy' Trotter in *Only Fools and Horses*. Never a one-trick pony, he had an award-winning spell as TV's

favourite detective Jack Frost, took a country jaunt as Pop Larkin in the Darling Buds of May, and even voiced a crime-fighting cartoon rodent in the much-loved children's show Danger Mouse. But life hasn't all been so easy: from missing out on a key role in Dad's Army to nearly drowning in a freak diving accident, David has had his fair share of ups and downs, and has lost some of his nearest and dearest along the way. David's is a touching, funny and warm-hearted story, which charts the course of his incredible five decades at the top of the entertainment business. He's been a shopkeeper and a detective inspector, a crime-fighter and a market trader, and he ain't finished yet. As Del Boy would say, it's all cushy.

telly icons and then there is Sir David Jason. This book is such gold . . . an absolute delight' ZOE BALL

'During my life and career I have been given all sorts of advice and learned huge amounts from some great and enormously talented people. I've been blessed to play characters such as Derek Trotter, Granville, Pop Larkin and Frost, who have changed my life in all sorts of ways, and taught me lessons that go far beyond the television set. And I've worked a few things out for myself as well, about friendship, ambition, rejection, success, failure, adversity and fortune. With any luck, some of these thoughts and observations will chime with episodes and challenges you have faced, or are facing, in your own life. And if they don't. . . well, hopefully, at the very least you'll get to have a good old laugh at my expense. So

*** The Hilarious Number One Sunday Times Bestseller! *** The follow-up autobiography to one of Britain's best loved actors and national treasures In his first book David Jason told us about himself from his early years training as an electrician through to making it as one of Britain's greatest actors. This autumn, in a follow up autobiography, he tells us about the many other lives he has lived – his characters. From Del Boy to Granville,

Read PDF David Jason My Life

Pop Larkin to Frost, he takes us behind the scenes and under the skins of some of the best loved acts of his career. And in the process he reflects on how those characters changed his life too. The result told with his characteristic charm and wit is both funny and poignant, honest and heart warming.

From his humble roots in north London through his days as an electrician, this biography traces the life of Britain's favourite actor - Sir David Jason. It is based on the actor's own memories, as well as recollections from friends, relatives and co-stars of both stage and screen.

The classic guide to working from home and why we should embrace a virtual office, from the bestselling authors of Rework “A paradigm-smashing,

Read PDF David Jason My Life

compulsively readable case for a radically remote workplace.”—Susan Cain, New York Times bestselling author of *Quiet*

Does working from home—or anywhere else but the office—make sense? In *Remote*, Jason Fried and David Heinemeier Hansson, the founders of Basecamp, bring new insight to the hotly debated argument. While providing a complete overview of remote work’s challenges, Jason and David persuasively argue that, often, the advantages of working “off-site” far outweigh the drawbacks. In the past decade, the “under one roof” model of conducting work has been steadily declining, owing to technology that is rapidly creating virtual workspaces. Today the new paradigm is “move work to the workers, rather than workers to the workplace.” Companies see advantages in the way remote work increases their talent pool, reduces

Read PDF David Jason My Life

turnover, lessens their real estate footprint, and improves their ability to conduct business across multiple time zones. But what about the workers? Jason and David point out that remote work means working at the best job (not just one that is nearby) and achieving a harmonious work-life balance while increasing productivity. And those are just some of the perks to be gained from leaving the office behind. Remote reveals a multitude of other benefits, along with in-the-trenches tips for easing your way out of the office door where you control how your workday will unfold. Whether you're a manager fretting over how to manage workers who "want out" or a worker who wants to achieve a lifestyle upgrade while still being a top performer professionally, this book is your indispensable guide.

"Rework" shows you a better, faster,

easier way to succeed in business. You'll learn how to be more productive, how to get exposure without breaking the bank, and tons more counterintuitive ideas that will inspire and provoke you.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host

Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and

racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for. Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough

character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?
