A Father-Daughter Genealogy Team Link Present to Past on Family Trees On a solo ski vacation in Canyon Mines, Colorado, Tucker has a love-hate relationship with his wealth, spending indiscriminately while skiing fearlessly and preparing to conquer the overgrown slope of Hidden Run, a dangerous run not attempted in decades. As genealogist Jillian tries to uncover enough of Tucker's family tree to understand his charming nature but reckless resolve, Jillian's equally charming father, Nolan, cajoles Tucker into giving him ski lessons to get him talking about the suspicious circumstances surrounding his grandfather's life in St. Louis in the 1930s. On the surface, Tucker's family's history seems too perfect. The secret may lie in the sealed envelope Tucker carries with him at all times—even on the ski slope. When no one can find Tucker to tell him the fiancée he never mentioned turned up in Canyon Mines, they realize he must be off attempting to ski Hidden Run alone in a snowstorm. And they may be too late. *In the Cradle Lies* is the second book in the *Tree of Life* series by Olivia Newport. You'll want to return to the lovely Colorado mountain town of Canyon Mines again and again to explore and celebrate unforgettable family stories that will inspire you to connect with your own family histories and unique faith journeys.

This work is an invitation and guide for young people to bring the realm of Heaven to earth. As children discover their identity through the revelation of the Father's love, they are released to fulfill their Royal Mission: to demonstrate the Kingdom of God by living a life of miracles. Each chapter explains and identifies the inheritance that God's sons and daughters possess, such as the Father's love, the anointing and indwelling of the Holy Spirit, faith, prayer, and the keys of power and authority. This book is not only a companion for the "journey", but also provides a meeting place for children to encounter God's presence that will transform their hearts and lives.
