Forensic analyst and nighttime vigilante Dexter Morgan discovers that he is being followed by a killer who is copying his methods, an adversary whom Dexter seeks to outmaneuver using his trademark knack for extricating himself from trouble.

*After seven national bestsellers and eight seasons as one of the most successful shows on television, New York Times bestselling author Jeff Lindsay bids a thrilling farewell to his uniquely twisted and beloved serial killer, Dexter Morgan. Dexter Is Dead is the definitive conclusion of the character who has become a global icon. Dexter Morgan has burned the candle at both ends for many years. Blood spatter analyst, husband, father, serial killer. And now, for the first time, his world has truly collapsed. Dexter is arrested on charges of murder. He has lost everything—including his wife, his kids, and the loyalty of his sister. Now completely alone, Dexter faces a murder charge (for a crime, ironically, he did not actually commit). His only chance for freedom lies with his brother, Brian, who has a dark plan to prove Dexter's innocence. But the stakes are deadly, and the epic showdown that lies in Dexter's path may lead, once and for all, to his demise. Jeff Lindsay's trademark devilish wit and cutting satire have never been sharper. Dexter Is Dead marks the end of a beloved series, but is also Dexter's most satisfying and suspenseful outing yet! --

Forensic analyst and nighttime vigilante Dexter Morgan discovers that he is being followed by a killer who is copying his methods, an adversary whom Dexter seeks to outmaneuver using his trademark knack for extricating himself from trouble.

Married life seems to agree with him: he 's devoted to his bride, his stomach is full, and his homicidal hobbies are nicely under control. But old habits die hard—and Dexter 's work as a blood spatter analyst never fails to offer new temptations that appeal to his offbeat sense of justice. Not to mention that his Dark Passenger still waits to hunt with him in the moonlight. The discovery of a corpse (artfully displayed as a sunbather relaxing on a Miami beach chair) naturally piques Dexter 's curiosity and Miami 's finest realize they 've got a terrifying new serial killer on the loose. And Dexter, of course, is back in business.

The Secret of Annexe 3 is the seventh novel in Colin Dexter's Oxford-set detective series. Morse sought to hide his disappointment. So many people in the Haworth Hotel that fateful evening had been wearing some sort of disguise — a change of dress, a change of make-up, a change of partner, a change of attitude, a change of life almost; and the man who had died had been the most consummate artist of them all ... Chief Inspector Morse seldom allowed himself to be caught up in New Year celebrations. So the murder inquiry in the festive hotel had a certain appeal. It was a crime worthy of the season. The corpse was still in fancy dress. And hardly a single guest at the Haworth had registered under a genuine name ... The Secret of Annexe 3 is followed by the eighth Inspector Morse book, The Wench Is Dead.
