The 2nd edition of Cpl. Robert Teather's pinnacle text is updated to include new tools and technologies used by today's underwater investigators. Individuals working in the fields of investigation and public safety diving have supplied their expertise to create an enduring resource for public safety divers and underwater investigators.

Written for instructors, dive team captains, surface teams, and underwater personnel alike, this book offers definitive information on procedures for safe operations, proper methods of training, and how to make appropriate purchasing decisions. Various techniques and types of equipment are discussed and assessed. Included also are chapters on methods of search in black water, swift water, and contaminated water, as well as techniques for evidence recovery.

Swiftwater Rescue 2nd Edition offers an in-depth look at swiftwater rescue for the professional -- firefighters, park rangers, law enforcement, EMS personnel -- as well as anyone who might be faced with the possibility of a flood or swiftwater rescue. Topics include rescuer safety considerations and equipment; river hydrology; equipment; shore-based, boat-based, and in-water rescue techniques; medical considerations; rigging for river rescue; incident command, animal rescue, and swiftwater training. Densely illustrated with line drawings and black & white photographs, the second edition also covers advanced subjects like the use of helicopters in swiftwater rescue and special situations like low-head dams, urban flooding, and flood channel rescues.

Grant Writing For Dummies, 3rd Edition serves as a one-stop reference for readers who are new to the grant writing process or who have applied for grants in the past but had difficulties. It offers 25 percent new and revised material covering the latest changes to the grant writing process as well as a listing of where to apply for grants. Grant writers will find: The latest language, terms, and phrases to use on the job or in proposals. Ways to target the best websites to upload and download the latest and user-friendly application forms and writing guidelines. Major expansion on the peer review process and how it helps improve one's grant writing skills and successes. One-stop funding websites, and state agencies that publish grant funding opportunity announcements for seekers who struggle to find opportunities. New to third edition.
