In this century the central and quintessential correctional facility program ought to be the library. While the U.S. prison industry has embraced a massive reentry movement emphasizing literacy and job readiness for former felons, prison libraries have been ignored as potential sources for reintegration. In *The Prison Library Primer: A Program for the Twenty-First Century*, Brenda Vogel addresses the unique challenges facing the prison librarian. This practical guide to operating and promoting a correctional library focuses on the basic priorities: collection development; location, space planning, and furnishing suggestions; information on court decisions and legislation affecting prisoners' rights. This volume also includes an information-skills training curriculum, sample administration policies, essential digital and print sources, and community support resources. Equipped with practical library science tools and creative solutions, *The Prison Library Primer* is an invaluable resource that will help the librarian and library advocate develop, grow, and maintain an effective, user-centered library program.

Do any of us ever think about going to prison? Or being the focus of an investigation by the Federal Bureau of Investigation? How does it feel having your life turned upside down by a tenacious Federal Prosecutor who wants you in jail? Have you ever been threatened with obstruction of justice, tax evasion or being subpoenaed before the Grand Jury? Can you imagine having to make a decision to plead guilty to save your sanity? Think how intimidating it is to fight a giant with unlimited money, resources and power. Can you imagine how you would feel when a judge sentences you to prison?
