"I take care of the earth because I know I can do little things every day to make a BIG difference..." With his signature blend of playfulness and sensitivity, Todd Parr explores the important, timely subject of environmental protection and conservation in this eco-friendly picture book. Featuring a circular die-cut Earth on the cover, and printed entirely with recycled materials and nontoxic soy inks, this book includes lots of easy, smart ideas on how we can all work together to make the Earth feel good - from planting a tree and using both sides of the paper, to saving energy and reusing old things in new ways. Best of all, the book includes an interior gatefold with a poster with tips/reminders on how kids can "go green" everyday. Equally whimsical and heartfelt, this sweet homage to our beautiful planet is sure to inspire readers of all ages to do their part in keeping the Earth happy and healthy.

On Earth Day, we find ways to help the Earth. Trina plants trees with her class. She forms an Earth Day club with her friends. What can you do to make every day Earth Day? Do your part to be a planet protector! Discover how to reduce, reuse, recycle, and more with Tyler and Trina in the Planet Protectors series, part of the Cloverleaf Books™ collection. These nonfiction picture books feature kid-friendly text and illustrations to make learning fun!

I Am Earth introduces kids to the basic concepts of earth science while also encouraging the importance of taking care of our special planet through environmental awareness and sustainability. Keeping Earth a happy healthy place to live is important for everyone big and

small. In this Earth science book for beginners, kids learn what makes our planet so uniquely special and how people can work together to keep it a healthy home.

#1 New York Times bestseller A TIME Magazine Best Book of the Year A NPR Best Book of 2017 A Boston Globe Best Book of 2017 "Moments of human intimacy jostle with scenes that inspire cosmic awe, and the broad diversity of Jeffers's candy-colored humans...underscores the twin messages that 'You're never alone on Earth' and that we're all in this together."--Publisher's Weekly (starred review) "A true work of art."--BuzzFeed Oliver Jeffers, arguably the most influential creator of picture books today, offers a rare personal look inside his own hopes and wishes for his child--and in doing so gifts children and parents everywhere with a gently sweet and humorous missive about our world and those who call it home. Insightfully sweet, with a gentle humor and poignancy, here is Oliver Jeffers' user's guide to life on Earth. He created it specially for his son, yet with a universality that embraces all children and their parents. Be it a complex view of our planet's terrain (bumpy, sharp, wet), a deep look at our place in space (it's big), or a guide to all of humanity (don't be fooled, we are all people), Oliver's signature wit and humor combine with a value system of kindness and tolerance to create a must-have book for parents. Praise for *Here We Are*: -"A sweet and tender distillation of what every Earthling needs to know and might well spend a lifetime striving to achieve. A must-purchase for new parent shelves"--School Library Journal -"From the skies to the animal kingdom to the people of the world and lots of other beautifully rendered examples of life on Earth, *Here We Are* carries a simple message: Be kind." --NPR -"[An] enchanting gem of a children's book"--NBC's Today Show -"A must-have book for parents."--Gambit -"A celebration of people all shapes and sizes, and of the beauty and mystery of our Earth."--Booklist -"...a beautifully illustrated guide to living on Earth and being a good person."--Brightly -[*Here We Are*] is a tour through the land, the sea, the sky, our bodies; dioramas of our wild diversity....[Jeffers] is the master of capturing the joy in our differences."--New York Times Book Review

Excessive in everything he does, Max learns an important lesson about the fragile state of the environment after he causes a power outage--inspiring him to work with others to become more "green" in order to help save the planet that he loves. Original.

Earth Day is on the way, and Ryan, Luke, and Carly have a plan. If they manage to collect and recycle 5,000 aluminum cans, they can make enough money to buy some beautiful flowers for nearby Gilroy Park. CAN they do it? Counting the cans gives Ryan, Luke, and Carly -- along with readers -- a lesson in place value. And facts about recycling throughout the story will help readers understand how important it is to take care of the earth.

The many different animals that live in a great kapok tree in the Brazilian rainforest try to convince a man with an ax of the importance of not cutting down their home.

Discover new, practical methods for teaching literacy skills in your early childhood classroom. breaks down the research and translates it into realistic, actionable steps you can take to improve your teaching. Features specific examples of teaching techniques and activities that engage students in hands-on, experiential learning during circle time, centers, and small groups. Offers a simple, four-step system for teaching literacy skills, based on the foundational principles of early literacy teaching Demonstrates how to build your confidence in your ability to get 100% of your students ready for kindergarten, long before the end of the school year Understand the problems with traditional literacy teaching and identify gaps in your current teaching practice with this valuable resource.

Fancy Nancy fans of all ages will love this sweet story about learning to respect both the Earth and your family, in this I Can Read story from New York Times bestselling team Jane O'Connor and Robin Preiss Glasser! Learning to respect the environment is no small task, especially if you want to celebrate Earth Day every day of the week! Luckily, Nancy is on hand to make sure Mom, Dad, and her little sister do their part in being green—even if she has to keep reminding them. Nancy knows that she's helping her family do something very important, but will she take her enthusiasm for the environment a step too far? Fancy Nancy: Every Day Is Earth Day is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences. The back matter features a list of the rich vocabulary words that are used throughout the story along with their definition.

With his signature blend of playfulness and sensitivity, bestselling author Todd Parr explores the important, timely subject of environmental protection and conservation in this board book. This adaptation of The Earth Book includes child friendly reasons to love our planet--from appreciating a beautiful tree to taking care of animals all around the world. Equally whimsical and heartfelt, this sweet homage to our beautiful planet is sure to inspire readers of all ages to do their part in keeping the Earth happy and healthy.
