promote more—and more productive—learning. The energizers in this book are easy to teach and learn. You can use them: Anywhere: Inside or outside the classroom, with children circled up, at their desks or tables, or waiting in line energizers work everywhere! Anytime: Between long instructional blocks, as Morning Meeting activities, when children need to calm down, and when they need to perk up energizers work throughout the school day! With any grade level, K-6: For quick selection, the energizers in this book are labeled by grade level but we've included variations and suggestions to help you adapt them to fit your group.

The fastest way to keep your students engaged Glazed look in your students' eyes? They need is an Energizing Brain Break—a quick physical and mental challenge to refresh them. This full-color flip book contains 50 highly effective, classroom-tested ideas for all grades. You'll find pictures, directions, and online videos for activities like: Slap Count Letters: students alternate slapping each other's hands while spelling a word Rock, Paper, Scissors, Math: partners reveal a certain number of fingers to each other, and the first person to add them together wins Bizz-Buzz: groups of students count from 1 to 40 using a combination of numbers and words

Add variety, learning impact, and joy to every Grade K-2 Morning Meeting with these ready-to-go ideas.

This practical guide by veteran teacher Margaret Berry Wilson first reviews why children misbehave, then offers positive, effective strategies to stop 10 common classroom behaviors quickly and respectfully--and get students back on track for learning.

Bringing the school day to a peaceful end enhances learning and reaffirms classroom community. Gather with your class for a 5- or 10-minute activity before dismissal and you'll all leave school feeling encouraged and competent. This book contains 50 easy-to-do activities for the end of the day: songs and chants, individual reflection questions, energetic cheers, silent cheers, quick partner and group chats, team or class challenges, quiet think time, and more. Use the activities as written or make them your own by adapting them to fit your students' mood or developmental needs. Handy size and spiral binding for easy classroom reference.

Use Interactive Modeling to teach academic and social skills, routines, transitions, use of materials - any behavior, skill, or routine that needs to be done in a specific way. When teachers use this technique, children quickly learn exactly what to do, and they remember better. You'll spend less time reteaching, and your students will spend more time learning. book includes sample lessons, scripts, a planning guide, and a summary of research on the principles behind Interactive Modeling. -- website

Stop bullying before it starts. Use the practical strategies described in this book to prevent bullying and create a safe, inclusive elementary classroom where kindness and learning flourish. Veteran educator Caltha Crowe offers a proactive approach to bullying prevention that shows you how to create a positive classroom environment and how to respond to mean behavior before it escalates into bullying. Learn to: Recognize and stop gateway behaviors as soon as they start Build a caring classroom community Create rules with children that help prevent bullying Talk candidly with children about bullying Work with parents in your anti-bullying efforts

Offers advice for setting up a classroom for kindergarteners that meets their educational and developmental needs, with strategies for how to teach routines and schedules, promote student bonding, use creative teaching tools, and interact with parents.

From "Magic Number" to "UFO Experts", this fun collection of activities, chants, and greetings helps teachers build a positive climate for learning while giving students practice in reading, math, problem-solving, and more. Each activity includes: Suggested grade level Academic and social skills practiced Materials needed Concise, easy-to-follow directions

Bring positive behavior to your school through strong, consistent, and positive discipline. In Responsive School Discipline two experienced administrators offer practical strategies for building a safe, calm, and respectful school-strategies based on deep respect for children and for staff. Each chapter targets one key discipline issue and starts with a checklist of action steps. For comprehensive discipline reform, go through the chapters in order. For help with a particular challenge, go right to the chapter you need.
