Law students also develop a range of sought-after transferable skills including effective communication, teamwork and research skills and the ability to think critically. Graduates are in demand, not just in the law industry itself, but from employers in accountancy, recruitment, government bodies, hospitals, insurance, banking and universities.

~~Law Courses & Undergraduate Degrees~~

The specific relevance to Law students is that its main character, Atticus Finch, is a lawyer tasked with defending a man shunned by everyone else. Finch represents the legal ideals of justice and equality, and the book is a great source of inspiration for those wondering why law is important, and why rights must be protected.

"Law for Business Students is the popular textbook for introducing legal concepts to non-law students in a practical, engaging way

Download Ebook English Law For Business Students

through real-life cases relevant to the business world. A clear explanation of the study of law and study skills leads into the main core topics of law: contract (including intellectual property), tort, employment and business organisations (including formation), governance and dissolution. The book also includes a range of features to aid understanding, applying and analysing legal concepts: - Scenarios - to encourage development of opinions and application of relevant legal concepts. - Worth thinking about - discussion points to analyse within the classroom. - Exam tips - pointing to areas of the law which are ripe for questions in an exam, to help revision practice. - Chapter summaries - to reinforce learning of key concepts. - Key terms - highlighted in margin notes. - Review questions with answers - self-test questions and worked exam examples to consolidate knowledge, encouraging students to apply the law and boost confidence. - Advanced questions - to challenge students in developing knowledge of the law. This 12th edition has been fully updated and also provides restructured coverage of negligence, with dedicated chapters covering negligence and special duty situations and product liability. Clear and concise, it provides accessible coverage of the fundamental legal principles and an understanding of the practical application of the law to the business environment. Additional instructor resources to accompany the book are available at www.pearsoned.co.uk/adams--

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Tailored to meet the needs of business students, this book allows readers to navigate the core legal provisions in employment law and get to grips with crucial issues. The language used is easy to follow and the structure of the book provides an accessible introduction to the subject. Throughout, the book provides relevant examples, gives international law comparisons and imbues readers with a 'best practice' awareness. Students will also use the book to:

- Recognize

and understand relevant case law in key areas; - Understand how employment law works in practice; - Assess the effectiveness of United Kingdom and European employment law. This book will be of invaluable help to Undergraduate and MBA students as well as those pursuing a CIPD employment law course.

Business Law offers comprehensive coverage of the key aspects of business law in a straightforward manner that is easy to understand for non-law students. It describes and considers the full range of legal topics such as Contract, Company and Employment Law, as well as including coverage of emerging areas such as Health and Safety and Environmental Law as they apply to business.

Far-reaching and detailed, Card & James' Business Law is the definitive guide to the subject. Roach encourages students to understand the basics and challenges them to push their grasp of the legal principles further. Accompanied by an abundance of learning features and a suite of online resources designed to hone critical assessment skills.

Download Ebook English Law For Business Students

With its real-world business-orientated approach, Business Law has been fully updated in line with the Companies Act 2006, and also streamlined to address the needs of today's student of this fascinating and fast-moving subject. Providing a salient introduction to law in a business context, this is a valuable learning companion.

This text provides the most rigorous analysis of business law to students taking business and finance related courses. Building on the 30 year success of Card & James: Law for Accountancy Students, Lee Roach has taken this classic text and developed it to create a new textbook suited to today's business student.

Written with business students in mind, Business Law puts the law into a context that they can grasp easily. Case studies open each chapter and readers are regularly asked to consider how the content applies to routine business problems so that they fully engage with the topics, understand, and can approach the law independently with confidence.

Marson and Ferris' Business Law provides a thorough account of the subject for students on Business degrees. It introduces students to the essential topics by exploring current and pertinent examples. It emphasizes the importance of cases and demonstrates the relevance of
