"This book is written in the hope that my message will spark a fire in your heart to stand up and be counted for God." Author Ben Hardister is not content to sit in a church pew, listening to others talk about serving God. At an early age Ben made the decision to serve the Lord by faithfully giving 10% of every dime he made-and a whole lot more. In Faith without Honor, he relates the many times God has blessed his offerings and increased his faith. His stories span the world, from the almond orchards of California to the slums of Venezuela. With honesty and directness, he urges God's people to act with honor in support of those in need. "I realize you hear many stories about giving, from many different sources. Most come from someone who wants something from you. My experiences in this book are told to encourage you to honor God by trusting Him. ... Stop looking for the right words to say and start looking for the right things to do."

DigiCat Publishing presents to you this special edition of "Cheyenne Gold" by Frederick Schiller Faust. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

ACTS World Relief founder David Canther shares how acts of kindness and meeting the needs of people can touch the world with God's love.

An anthology of Jewish diaspora nationalist thought across the ideological spectrum

The life and deeds of the man Jesus triggered off the immense Christian religion nearly two millennia ago, but his most sublime and profound teachings were largely disregarded or reshaped by the practical needs of the early Christian Church. The old religious package no longer satisfies the needs of present-day practicing Christians and others seeking clear answers to their pressing spiritual questions. A NEW JESUS releases these original teachings of Jesus from the grasp of doctrinal and legendary religious tradition. A powerful and proven method called intuitive inquiry, distinct from the usual intellectual means for generating knowledge, is utilized for this purpose. It relies upon the skill of an expert intuitive, Kevin Ryerson in this book, whose past record for obtaining both lost and entirely new information has been outstanding. In this book you will find perceptive answers to the main mysteries about Jesus' life and teachings and the basic spiritual questions about man's origin, identity and purpose. It clears up several gaps, distortions and

contradictions in the New Testament Gospels and closes with a modern restatement of Jesus' spiritual philosophy. It also describes how to apply this new knowledge to enhance your personal understanding and daily life.

What is humility, really? Is it possible to live a life of true humility? Is it even something we should seek to attain? Murray dispels common misconceptions about humility and helps unwrap its mystery in a practical and transformative way. He invites us to follow Christ into the deep, hidden fullness and delight of a life lived wholly dependent on God. "Nothing is more natural and beautiful and blessed than to be nothing, that God may be all...it is not sin that humbles most, but grace."

"God has given no pledge which He will not redeem, and encouraged no hope which He will not fulfill," says Charles H. Spurgeon, respected preacher and author. In Faith's Checkbook, first published in the late 1800s, Spurgeon presents 365 of God's wonderful promises, as found in Scripture. Each verse is followed by a brief thought or application, making this collection ideal for personal or family devotions. Find daily encouragement with promises such as: "God shall be with you," Genesis 48:21 "Call unto

me, and I will answer thee," Jeremiah 33:3
"If thou seek Him, He will be found of thee,"
1 Chronicles 28:9 "He that humbleth himself
shall be exalted," Luke 18:14 "Because I
live, ye shall live also," John 14:19 "He
will be our guide even unto death," Psalm
48:14

MARK BIBLE COMMENTARY After nearly 40 years of full-time ministry, Brother Swaggart published his first commentary on the book of Genesis that was later described as "the most helpful Bible commentary ever published." It would take nearly 20 years to complete the entire commentary series—from Genesis to Revelation. True to Pentecostal theology, the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than providing notes on every Bible verse, these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended. Where most relevant, cultural and historical references are also included, along with explanations of the allegories, types, and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures. Yet, what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer. Printed on high-quality paper and bound with a beautiful hardback cover, this unique

reference will be cherished by anyone who loves to study the Word of God.

In this book, Andrew Murray seeks to encourage the believer in Christ towards humility. His goal is that the reader would pursue humility as a primary concern. He explores themes such as humility in the life of Jesus and the disciples, humility and faith, as well as the false humility that many who profess Christ seem to display. Anyone looking for a good devotional primer on the topic of humility will enjoy this book. Murray writes with a pastor's heart. His style is readable and engaging. This book will help the reader see humility as a joyful pursuit on the path of pursuing holiness.
