#1 NEW YORK TIMES BESTSELLER ☐ Over two million copies sold! "Packed with incredible insight about what it means to be a woman today."—Reese Witherspoon (Reese’s Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and "patron saint of female empowerment" (People) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine** ☐ The Washington Post ☐ Cosmopolitan ☐ Marie Claire ☐ Bloomberg ☐ Parade ☐ "Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal."—Elizabeth Gilbert, author of City of Girls and Eat Pray Love This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, Untamed is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. Untamed shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-f*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badasses. The Captain shows you how.

Everyone needs inspiration on a daily basis. This book is my sharing on inspiration I received over a period of years. Some of it is religious inspiration that I received in meditation in a quiet church. It is on a variety of subjects, yet it will fit a variety of subjects for todays world. It is the culmination of years of note scratching on lots of scrap paper and envelopes. It is based on real-life experiences I faced at the time. It is a journal into my soul and philosophy. Whenever you feel you have the need to be inspired, feel free to pick up this book, and let me inspire you to get through the day. I hope you will remember me as the Quote Guy.
