Afternoon, Evening and Before Bed Routines give our day the structure that we need. Just set a regular time and define the tasks you have to do every day to be comfortable in your space.

In Sink Reflections, Marla Cilley -- the FlyLady -- helped hundreds of thousands of her fans combat overwhelming household C.H.A.O.S. (Can't Have Anyone Over Syndrome). Taking a "baby-steps" approach, she offered little chores to do every day, to wipe out clutter and feelings of inadequacy. Now, in Body Clutter, the FlyLady and Leanne Ely, the Dinner Diva and creator of the Saving Dinner series, team up to teach readers how to handle and erase the clutter they carry on their bodies and minds when it comes to body image. The FlyLady and Leanne say that it's not about finding the perfect diet, it's about the way you feel about food and your body and understanding sound nutrition. With warm voices, unique lingo, and no preaching, they apply a step-by-step technique, coaching the readers from beginning to end and sharing their own success stories along the way.

Two sisters share the system of organising household chores that they created to make managing a home less time consuming and more efficient, in an updated handbook that explains how to reduce chaos and clutter and achieve organisation in the home.

of us who'd describe our current living situation as a “f*cking mess” that we're desperate to fix. Unf*ck Your Habitat is for anyone who has been left behind by traditional aspirational systems. The ones that ignore single people with full-time jobs; people without kids but living with roommates; and people with mental illnesses or physical limitations. Most organizational books are aimed at traditional homemakers, DIYers, and people who seem to have unimaginable amounts of free time. They assume we all iron our sheets, have linen napkins to match our table runners, and can keep plants alive for longer than a week. Basically, they ignore most of us living here in the real world! Interspersed with lists and challenges, this practical, no-nonsense advice relies on a 20/10 system (20 minutes of cleaning followed by a 10-minute break; no marathon cleaning allowed) to help you develop lifelong habits. It motivates you to embrace a new lifestyle in manageable sections so you can actually start applying the tactics as you progress. For everyone stuck between *The Life-Changing Magic of Tidying Up* and *Adulthood*, this philosophy is more realistic than aspirational, but the goal is the same: not everyone will have a showcase of a home, but whatever your habitat, you deserve for it to bring you happiness, not stress.
