Garun Puran is a matchless scripture of satvik category. it is said that reading or listening to the narration of garud puran not only brings happiness in the present life but also takes one closer to the divinity. therefore, all human beings, particularly Hindus, Buddhists, Jains and sikhs must acquire the deep knowledge enshrined in this scripture. the Garud Puran also aims at establishing a welfare society not only for human beings but also for all creatures and also paves the way for well being of the entire ecology and creation. It says that one must be full of action, compassion and generosity. One Should Live a controlled life while remaining Brahmin-nisht (engrossed in Divinity).

This is Volume 7 of the series At the Feet of a Himalayan Master and includes the reminiscences of eight disciples of Swami Rama, five women and 3 men, three living in the

US, one from the UK and four from India. This takes the total numbers of contributors to the series to 33 disciples who have generously shared their inspiring experiences with the Master. As with previous volumes of this series, readers will discover the many dimensions of Swami Rama. The authors of this volume are from diverse backgrounds: geographic, cultural, economic, religious professional. Despite these differences, they were drawn by Swamiji's compassion, love and caring mentorship. he could be a tough taskmaster, but knowing that this was also a manifestation of his love, disciples were not discouraged or driven away, but continued to work on their shortcomings. It is now more than two decades since Wamiji dropped his mortal coil, but his love, guidance and presence continue to instruct and inspire. May the younger generation of spiritual seekers who were born after Swamiji's mortal demise, find inspiration in these volumes and learn to discover the divinity that dwells within them.

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesas ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.
