This book is about my life story from my childhood the earliest memory And the sufferings I experienced from such a young age. Included are my spiritual encounters of when I saw a vision of the Mother of Jesus (Our Lady) when I was 14 and my encounter with a Monk and Paul who were angels. And my encounter with Jesus in heaven at my near death experience when I was 17. There are other stories of miracles of people being healed. And miracles at Lourdes. I also included a dialogue to my foster mother in the form of letters and Scriptures that helped me overcome my traumas and bad memories and how God helped me to get well and grow to become a strong Christian. I have also included some poems that I received inspiration from the Lord in the circumstances I was in at the time and some family pictures. I hope readers will be encouraged to find their own peace with God As my experiences are true and God is truly real and he loves his people and he is A faithful God and he will help us and answer our prayers And God will bring us to heaven if we love Him and are faithful to Him. Author Eric Leschinsky used to believe that he was a pretty good Christian and not 'that bad' of a sinner. Starving the Flesh details what Eric learned when God began opening his eyes to his sin. Three years of going to church services three times a week, serving on a number of ministry projects, reading his Bible, praying frequently, being involved in a weekly Bible study, and being great friends with his pastor still left him feeling that something was missing. Comparing his life to the Bible again and again, the question kept haunting him: 'Why does my life not look like the Christians' lives in the Bible?' Eric asked himself: 'Does God look at me and say he is well pleased with me? The truth is that I became complacent. I became religious. I became a Pharisee. This began my process of Starving the Flesh.' Join Eric as he sheds light on some critical biblical truths many churches don't teach: bull; How to have complete victory over sin. bull; Understanding what our freedom in Christ means--and doesn't mean. bull; Seeing the idols of our age for what they are.
