Ye have not, because ye ask not (James 4:2). I BRING YOU A MESSAGE FROM GOD contained in seven short words. Six of the seven words are monosyllables, and the remaining word has but two syllables and is one of the most familiar and most easily understood words in the English language. Yet there is so much in these seven short, simple words that they have transformed many a life and brought many an inefficient worker into a place of great power. I spoke on these seven words some years ago at a Bible conference in central New York. Some months after the conference, I received a letter from the man who had presided at the conference, one of the best-known ministers of the gospel in America. He wrote me, "I have been unable to get away from the seven words on which you spoke at Lake Keuka, they have been with me day and night. They have transformed my ideas, transformed my methods, transformed my ministry." The man who wrote those words has since been the pastor of what is probably the most widely known of any evangelical church in the world. I trust that the words may sink into some of your hearts today as they did into his on that occasion and that some of you will be able to say in future months and

years, "I have been unable to get away from those seven words, they have seen with me day and night. They have transformed my ideas, transformed my methods, transformed my life, and transformed my service for God."

All of life is not lived on mountaintops. We will experience some deep valleys of pain, disappointment, uncertainty, sickness, grief, and even the valley of the shadow of death. Sometimes multitudes enter long and deep valleys together, as in prolonged seasons of war, or the COVID-19 pandemic that brought many to hardship, uncertainty, and fear. Yet, it often feels like we are walking through a deep valley alone. It doesn't have to be that way – Scripture makes it clear that if we have even a little faith, the Lord walks with us and guides us. If we keep our eyes on Him, our deepest valleys will strengthen and enrich our walk with God. Stephen Gammon faithfully served God for 40 years as a pastor and military chaplain. Then, in October 2018, he was diagnosed with cancer (Multiple Myeloma); he and his wife Helen entered this deep valley, walking with God by faith. With personal vulnerability and spiritual insight, he posted regular medical updates on the CaringBridge website, sharing many priceless lessons learned while walking with God through their valley. Tens of thousands of online visits and innumerable personal responses and reflections from readers attest to the power of these truths. Now edited and published in this book, these lessons will point you towards genuine contentment and peace as you walk through your own deep valleys.

\*\*\*\*\*Please Note: This paperback was created due to overwhelming demand by those who had bought the Kindle Version. The "Waiting on God" portion is relatively short. The sample chapter of "Be Still: Let Jesus Calm Your Storms" is a true bonus. This was not, however, intended to be a paperback. I have priced the paperback as LOW as I possibly can in order to make it available for those who INSISTED on a printed version. You pray, but God doesn't seem to be listening. You trust Him, but it appears He's letting you down. You believe His Word, but His promises are coming up seemingly empty in your life. You seek, but do not find...you knock, but no one answers. If God is doing anything at all in your life...you can't see it. The fight of faith intensifies, as it appears that not only is God running late...He may not even show up at all. By the looks of things, God's either too busy in the lives of others or He just simply doesn't care. All of our Christian life, we're prepared to hear God speak to us, but nothing prepares us for His silence. It's in these times of desperation, when we're filled with doubt in the midst of our faith, when waiting on God appears to be in vain, that our faith is tested, grown, and strengthened, as we learn to trust in Him even when there appears to be no reason that we should. While we wait on God, it's His Promises that we'll cling to, and ultimately put our faith in, when our lives are hanging by a thread. We'll find that God knows what He's doing. He's in control...even when life isn't. You'll find that even when your world seems to be falling apart...it's really just falling into place in the hands of your Almighty loving God. \*\*\*\*\*BONUS

The complete works of one of England's greatest Edwardian writers Saki is perhaps the most graceful spokesman for England's 'Golden Afternoon' - the slow and peaceful years before the First World War. Although, like so many of his generation, he died tragically young, in action on the Western Front, his reputation as a writer continued to grow long after his death. His work is humorous, satiric, supernatural, and macabre, highly individual, full of eccentric wit and unconventional situations. With his great gift as a social satirist of his contemporary upper-class Edwardian world, Saki is one of the few undisputed English masters of the short story and one of the great writers of a bygone era. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
