Winner of the Guardian Children's Fiction Award.

London is poised on the brink of World War 11. Timid, scrawny Willie Beech -- the abused child of a single mother -- is evacuated to the English countryside. But gradually Willie forgets the hate and despair of his past. He learns to love a world he never knew existed, a world of friendship and affection in which harsh words and daily beatings have no place. Then a telegram comes. Willie must return to his mother in London. When weeks pass by with no word from Willie, Mr. Tom sets out for London to look for the young boy he has come to love as a son.

She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz extermination camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Aushchwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was WWII. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

Then Luis Secunda, a well-to-do and educated fellow from the city descends upon them. Paolo is caught in the paternal rivalry between the two men. In doing so, Angel and Luis confront their pasts as well as their inevitable destinies—destinies that profoundly shape Paolo's own future.

“A truly addictive read” (Glamour) about how a young woman’s crush on a privileged former classmate becomes a story of love, lies, and dark obsession, offering stark insights into the immigrant experience, as it hurtles to its electrifying ending in this “twisty, unputdownable, psychological thriller” (People). Ivy Lin is a thief and a liar—but you’d never know it by looking at her. Raised outside of Boston, Ivy’s immigrant grandmother relies on Ivy’s mild appearance for cover as she teaches her granddaughter how to pilfer items from yard sales and second-hand shops. Thieving allows Ivy to accumulate the trappings of a suburban teen—and, most importantly, to attract the attention of Gideon Speyer, the golden boy of a wealthy political family. But when Ivy’s mother discovers her trespasses, punishment is swift and Ivy is sent to China, and her dream instantly evaporates. Years later, Ivy has grown into a poised yet restless young woman, haunted by her conflicting feelings about her upbringing and her family. Back in Boston, when Ivy bumps into Sylvia Speyer, Gideon’s sister, a reconnection with Gideon seems not only inevitable—it feels like fate. Slowly, Ivy sinks her claws into Gideon and the entire Speyer clan by attending fancy dinners, and weekend getaways to the cape. But just as Ivy is about to have everything she’s ever wanted, a ghost from her past resurfaces, threatening the nearly perfect life she’s worked so hard to build. Filled with surprising twists and a nuanced exploration of class and race, *White Ivy* is a “highly entertaining,” (The Washington Post) “propulsive debut” (San Francisco Chronicle) that offers a glimpse into the dark side of a woman who
