The Bible teaches us to live peaceably with those around us (Romans 12:18, 19). We are taught the Golden Rule from childhood: treat others the way you want to be treated. That is a principle straight from the pages of Scripture (Matthew 7:12; Luke 6:31 ). Matthew 18 is the classic passage on conflict management.

Wayuunaiki

The number-one cry of children's ministry leaders is the desire to teach kids the basics - the foundational truths of the Christian faith. These lessons are solid, Bible-packed experiences that draw children closer to Jesus and prepare them for a lifetime of spiritual maturity. Teachers will be fully equipped to tackle tough questions and encourage children along the way.

The Trinity can be one of the most difficult ideas in the Bible to understand. How can our God be made up of three different people? Andrew Hedges answers this question in *Creative Bible Lessons on the Trinity*, an in-depth guide perfect for small groups and student discussions. Divided into three sections, one for each aspect of the Trinity, this book presents students with a clear understanding of the role each part plays. Biblical evidence is supplemented with discussion questions so your small group can talk about how they see the Father, Son, and Holy Spirit work in their own lives. *Creative Bible Lessons on the Trinity* also includes a guide to identifying and working with different learning styles, so you can connect effectively with each of the students in your small group. With this knowledge, you'll be able to effectively teach your students to incorporate what they learn about the Trinity into their day-to-day lives.

*Creative Bible Lessons in Genesis* follows the work previously done with other studies in the series. What makes this volume different is that it is sensitive to the influence of postmodernism on today's culture and values, it complements the widespread use of multimedia, and is experiential in approach. With a desire to be relevant, it does not scan Scripture, but intends to be scripturally thorough and accurate, with an understanding that the power of the studies is ultimately found in the biblical text. Because much of what is understood to be "truth" today is arrived to by subjective interpretation, there is a strong but subtle element in the studies that highlights the Imago Dei (image of God) in man. The blueprint of the Trinitarian God in man is, perhaps, the sturdiest bridge between postmodern "experientisms" and ultimate truth and reality. In order to emphasize these elements, Bible studies include projection games, helps, and visuals. Also, many of the studies are highlighted by a participation which attempts to be close to the text account. There are small group and large group elements that have been developed with the technologically savvy student in mind. *Creative Bible Lessons in Genesis* follows the lives of various individuals in Genesis. In a world where communication is less face-to-face and more screen to screen, family breakdowns are the norm rather than the exception, and role models often communicate debatable values,

an anchor for life can only be found in the God, who does not change. Human nature can only be satisfactorily understood through the image of God in man, and that all behavior, desires, and actions people take are ultimate acts of worship, and desire for God. The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform, as well as from a subjective/emotional/experiential platform.

When Jesus was walking the earth, everyone had a theory about who he was—healer, revolutionary, king, friend, humble carpenter. But out of the vast complexity of characteristics and ideas there emerges one simple word that no one can deny: “Rabbi.” These 36 Bible studies capture the heart of Jesus the Rabbi. He was a revolutionary, miracle-working, loving, powerful, divine teacher. For those whose minds are ready to be expanded, whose hearts are hungry to be touched, and whose lives are ripe for growth, John Ortberg and Bill Hybels invites people of all ages and backgrounds to pull up a chair and dig into the life lessons of Jesus captured in the Bible throughout the Gospels. Designed for use as personal Bible study or group study, the interactive format will help readers grow in their ability to reflect the character of Jesus. Studies include: Twelve Studies on the Sermon on the Mount by Bill Hybels Six Studies on The Lord’s Prayer by John Ortberg Six Studies on the Parables by John Ortberg Six Studies on The Passion Story by Bill Hybels Six Studies on Luke by Bill Hybels

Featuring 12 active Bible lessons, this curriculum sends students straight into the words of Jesus to discover the truth--then it dares them to live that truth today.

Teachers will find everything they need to offer meaningful, fun lessons in these 96-page books. Geared for ages 5-10, each volume includes materials for eight extended sessions.

Women of the Bible is a bestselling devotional study focused on fifty-two remarkable women in Scripture. As you learn more about these incredible women, their everyday joys, and their struggles to live with faith and courage, you'll see that their stories aren't far from our own. This updated and expanded year-long devotional, now with over one million copies sold, invites you to take a closer look at the lives of fifty-two prominent--and not-so-prominent--women of Scripture, offering a fresh perspective on the story of salvation. From Eve to the Proverbs 31 woman, you'll have a chance to see the women of the Bible in a brand new light. Authors Ann Spangler and Jean E. Syswerda dive into the lives of fifty-two women of the Bible, spending one week getting to know each of them better through an interactive devotional. Each week, you'll learn: Her story--an inspirational portrait of this character's life Her life and times--background information about the culture of her day Her legacy in Scripture--a short Bible study on her life with application to your own Her promise--the Bible's promises that apply to her life and yours Her legacy of prayer--praying in light of her story Other special features in Women of the Bible include: A theme index A list and timeline of all the women of the Bible A list of women in Jesus's family tree A list of women in Jesus's life and ministry Perfect for personal prayer and Bible study or for use in small groups, Women of the Bible offers a new perspective that will strengthen your personal relationship with God and will give you a deeper appreciation for the women of faith who have come before us.

The question, "How do I study the Bible?" is not just for new Christians. Anyone interested in studying the Bible will benefit from thinking about how to study it. In 2 Timothy 2:15, the Apostle Paul wrote, "Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth" (NIV). The Greek phrase translated "correctly handle" (orthotone) also means to "guide on a straight path." As

we study the Bible, it's important we do our best to stay on the straight path when it comes to interpreting and understanding it. But how can we go about that? This book is here to help. The book includes 5 ready-to-use Bible lessons on the topic, "Following Jesus." Each Bible lesson consists of 20 or so ready-to-use questions that get groups talking. These questions make small group Bible study a joy. If you can read 20 questions, you can lead a Bible Study. Answers are provided in the form of quotes from respected authors such as John Piper, Max Lucado, and Beth Moore. These lessons will save you time as well as provide deep insights from some of the great writers and thinkers from today and generations past. I also include quotes from the same commentaries that your pastor uses in sermon preparation.
