Hearts in Harmony (Love Notes Book 1) eBook: Gillespie ...

Hearts in Harmony by Raine Gillespie (book 1 in the Love Notes series) is a cute contemporary romance novella. The story is about a young woman, Elahna, who ends up having to come home to help her mother, after her sister dies in an accident. Coming home also puts her in the path of her childhood crush, older brother (Tim) of her best friend.

The single biggest catalyst for positive change in love and life Why you keep attracting heartbreak, and step by step secrets to finding genuine love How to communicate difficult feelings like anger, fear and sadness... and use those feeling to create more intimacy, joy and passion than you ever dreamed possible

Katie & Gay Hendricks's Hearts In Harmony  
When We Don't Love Ourselves, We Can't Be Loved By Someone Else When we don't love and accept ourselves fully, we can't ever have a great relationship or a happy life. Our partner may whisper, “I love you so much” and we won’t believe them. We’ll always be looking for evidence that they are secretly losing interest.

Hearts In Harmony | Learning To Love Yourself Special Bundle  
Love notes can also be left on the pillow if you get up before him. A love note is a great, effective way to make him feel special. Doing so can lift his mood if he was feeling down or stressed out. Receiving a love note from you can make his mood even better if he was already having a good day.

Hearts in Harmony Love Notes Book 1 English Edition

Their love of forbidden music brings them together, but it could be what tears them apart. Musical prodigy Levi Shetler hasn’t touched a piano since he secretly played one many years ago. His strict Amish community forbids instruments or the singing of any music not in their approved songbook. Levi asks God often why music tempts him when playing an instrument isn’t allowed in his world. One person knows Levi’s talents: Mary Hershberger, the girl who promised years ago to keep his secret. Mary comes from a more liberal district than Levi, but she’s facing family troubles of her own. The mutual care for an aging Englisher, Adeline, reunites Mary and Levi as young adults. They realize that, despite their differences, they have a shared love of music—and a shared confusion about whether their talents are God-given gifts or temptations luring them into the English world. The couple realizes they must compromise or part ways, but a tragic accident shakes their decision. Both Mary and Levi will need to reconcile what they love with what their hearts say is right. “Beth Wiseman has penned a poignant story of friendship, faith, and love that is sure to touch readers’ hearts.” –Kathleen Fuller, author of The Middlefield Family novels “Beth Wiseman’s Hearts in Harmony is a lyrical hymn. Mary and Levi are heartwarming, lovable characters who instantly feel like dear friends. Once readers open this book, they won’t put it down until they’ve reached the last page.” –Amy Clipston, bestselling author of A Seat by the Hearth Full length contemporary Amish romance Includes discussion questions for book clubs Part of the Amish Journey series Book One: Hearts in Harmony Book Two: Listening to Love Book Three: A Beautiful Arrangement

A collection of poems that express feelings and emotions experienced by the author and from stories shared by friends. This book will inspire you and take you into a world of poetry that differs from the norm and will instill in you a spirit of love and bring out the sensuality and passion from your heart.

“An engrossing tale [that] provides plenty of food for thought” (People, Best New Books pick), this playful, wise, and profoundly moving second novel from the internationally bestselling author of How Proust Can Change Your Life tracks the beautifully complicated arc of a romantic partnership. We all know the headiness and excitement of the early days of love. But what comes after? In Edinburgh, a couple, Rabih and Kirsten, fall in love. They get married, they have children—but no long-term relationship is as simple as “happily ever after.” The Course of Love explores what happens after the birth of love, what it takes to maintain, and what happens to our original ideals under the pressures of an average existence. We see, along with Rabih and Kirsten, the first flush of infatuation, the effortlessness of falling into romantic love, and the course of life thereafter. Interwoven with their story and its challenges is an overlay of philosophy—an annotation and a guide to what we are reading. As The New York Times says, “The Course of Love is a return to the form that made Mr. de Botton’s name in the mid-1990s...love is the subject best suited to his obsessive aphorizing, and in this novel he again shows off his ability to pin our hopes, methods, and insecurities to the page.” This is a Romantic novel in the true sense, one interested in exploring how love can survive and thrive in the long term. The result is a sensory experience—fictional, philosophical, psychological—that urges us to identify deeply with these characters and to reflect on his and her own experiences in love. Fresh, visceral, and utterly compelling, The Course of Love is a provocative and life-affirming novel for everyone who believes in love. “There’s no writer alive like de Botton, and his latest ambitious undertaking is as enlightening and humanizing as his previous works” (Chicago Tribune).

As the oak tree is summarized in the acorn, so nature is summarized in the human brain. They express a model. Looking at this small acorn though, no one can foresee the majestic oak tree it might become. Of course, with only its genetic code it will not develop. In the same way, humans are called to become what our ancestors and even we cannot foresee. But in order to develop all our potentialities some conditions must be met. We surround this acorn with nutrients, water, earth, and light, allowing it to be part of a living whole. For humans, this living whole is nature and society. Alas, at this time both have become deficient. The model is not allowed to freely unfold. This model was intuitively grasped by all great traditions. It led psychoanalyst Carl Gustav Jung to find in Taoism "principles so vast that they can be applied to the entire humanity". With the rise of modern science though, this vision vanished. However, brain research results agree with the model so science is now on the brink of rediscovering it. In Love them back to Life, her second book, Ariane Page takes us on a discovery journey through this model expressed by the human brain as she focuses on love. Love is the tool used by this model, the LIFE (Law Inherent to the Five Elements), to eventually lead us to coherence between our physical, emotional, mental, social, and spiritual realities. In that holism, we will truly feel alive, happy, and loved.

What does music mean to you? Is it entertainment? Background noise? Or a consuming passion and constant presence in your life for as long as you can remember? For longtime music writer Jason Warburg, editor of indie album review site the Daily Vault, the answer has never been in doubt. Collecting 100 album reviews and artist interviews, plus a smattering of essays and concert reviews, My Heart Sings the Harmony is a love letter to rock and roll-and progressive rock, and power-pop, and jazz, and Americana, and, truth be told, popular music itself. If you've ever experienced a moment when it felt like music changed your life, this book was written for you. "Jason Warburg writes with an unreasonable amount of velocity and heart. My Heart Sings The Harmony is a gentle, funny and thoughtful reminder about why music makes us feel so much, and offers the kind of emotional honesty that we rarely see anymore. Each piece here is like a sepia snapshot of a forgotten time, but one that can be called back immediately in just one note-and it's in that one note where we feel most at home." -- Alex Green, editor of Stereo Embers magazine and author of Emergency Anthems "Jason Warburg is one of the finest music writers out there. My Heart Sings the Harmony demonstrates in a clear, passionate and unpretentious way the process of 'acquiring musical memories'-Warburg is out to celebrate and share what he loves and why. You'll more than likely be re-visiting some albums you may have given short shrift to, or searching for a new artist or album that, as Jason puts it, stops him in his tracks." -- Bernadette Quigley, music publicist, QuigleyMedia

Dil Ke Uss Paar is a coverage of many emotions, imaginations and melodious memories of writers and poets. The dedication and skills of different writers and poets makes this composition more magnificent. The main aim of this anthology is to provide a platform and encouragement to new and aspiring writers, as well as

to provide a new and fresh reading experience to readers and poetry lovers through this wonderful collection of writings of different writers.

Author's note: There are parts of this book that may be unsuitable for readers who are sensitive to the aspects of a destructive relationship. Any physical altercations happen off-page, but the emotional and mental fallout is delved into during the course of the story. Though this is a story of hope and love, the journey Andy and Cece have to take is a difficult one. She has lived her life in the midst of a storm. With a demanding, overbearing father dictating her life, Cecelia Albrecht has never been able to stand on her own. Searching for a way to free herself from him has led her into situations that have only added to the turbulence in her life. He knows Cecelia in a way that most don't and would do anything for her. But even though he cares for her-a lot-Andy Hale has been friend-zoned from the moment their lives collided under the bleachers by the high school football field. Realizing that she has driven most people away through her harsh words, Andy has stayed with her, determined to support her in a way no one else has. It's taken awhile, but Andy is finally coming to the point of accepting that the friend zone is where he's destined to stay with Cecelia. He knows that if he wants love and marriage in his future, he needs to move beyond his feelings for her. Cecelia has always been told she needs a certain type of man in order to succeed in life, and Andy has never been that man. He still lives at home, and his job pretty much guarantees that he'd never be rich. Will she see him for who he really is in time? Or will she lose the one man who has been a steady presence in her life for years? A Calm and Gentle Rain is book 10 of the Christian romance series, New Hope Falls. According to poet Paul Jason Bartholomew, a poet is a conductor who arouses and awakens the dormant inner sanctum of self-awareness. In his poetry collection, A Warm Fire: Poems of Faith, Family, and Friends to Warm the Heart, he uses passion and pathos as powerful motivating instruments in conducting a personal symphony to which we alone can harmonize. From picking berries and apples to tapping sap for maple syrup, pouring wax for fragrant candles, and from warm fires on snowy nights to sledding and autumn walks, the subjects of his poetry evoke a warm and happy life. Grab a mug of steaming coffee and come absorb the crackle and aroma of a cozy fire in the old stone fireplace as you dive into this new poetry collection, A Warm Fire. Curved and crooked is this leaf-strewn path originally made by a cow and her calf. still overlaced with leafy arms, like most local lanes to local farms. The road is special to my wife and me tree-lined sentinels for my family. Tread through mud, snow autumn leaves alone, we built a place at its end called Home! from The Lane

An Invitation From Gay Hendricks I am thrilled and delighted to offer to you the new edition of Learning To Love Yourself. Revisiting and rewriting the book has been a pleasure from beginning to end. With its new elements, the book comes alive in a whole new way. Looking back over more than three decades to the moment of its conception, I can now see how writing this book changed my life in every way. I first wrote it as an act of love, to share an experience that feels as if it's still transforming me in my very cells. It was my hope that telling about the experience could inspire the same profound life-changes in others. The many thousands of letters, emails and spoken appreciations I've received since then let me know that my hope came true. The experience described in the book revealed the living mystery of love to me, allowing me to feel its sweet power for the first time. Because I suddenly knew what real love felt like, I was able to break free of my pattern of painful relationships with women. Ultimately it helped me find my way to Kathlyn, the love of my life and my wife for the past quarter-century. The new edition is ideal for giving to loved ones (including yourself!) who are on the journey to forgiving, accepting and loving themselves. It tells you how I came to an acceptance and unconditional love of even the most difficult-to-love parts of myself. My fondest wish is that you use it for exactly the same purpose, with exactly the same result.

To those around her, her life plays like a simple melody. But she hears the whole song, complete with the harsh sounds of discordant notes. Along with everything else she does at the family's lodge, Leah McNamara also finds the time to write music, using it as an outlet for the things she's experiencing in her life. Leah would be perfectly content with her life at the lodge and her music if she wasn't worried about the secrets she's kept hidden from her family that are now threatening to be revealed. If that were to happen, the betrayal her mom and siblings would feel could damage everything. The realization of his dream had been like a beautiful song, until someone else's actions brings it all to an end. Gavin Colley is unsettled, set adrift when the popular contemporary Christian music group he'd founded crashes and burns in a fiery scandal. When he hears a song being sung by a woman whose voice resonates with him, he sets off to convince her to write and record a song with him. He hopes it might help to give him the direction he needs to move forward. As he bides his time, waiting for the right moment to ask her to collaborate with him, Gavin finds himself intrigued by the prickly woman. Being around her is the perfect distraction from the mess his career is in. But there's also something more there that he hadn't expected to find when he'd made his way to New Hope Falls. When Gavin shows up at the lodge, Leah knows who he is and what's happened. She has long admired his talent as a fellow musician, so she finds herself getting closer to him than she would normally with a guest at the lodge. But even as they draw closer, Leah knows that anything beyond friendship is impossible. Their lives don't harmonize since Gavin's life is on the other side of the country and he's frequently on tour, while Leah prefers being behind the scenes and helping at her family's lodge. But when love finds its way into their hearts, will they try to bring their lives into harmony? Or will they be left with heartache? The Harmony of Love is book 7 of the Christian romance series, New Hope Falls. If you haven't read book 1 yet, be sure to check it out: A Love So Real (ASIN: B07T58NPDR). Welcome to the fictional town of New Hope Falls! A sanctuary for those needing refuge. A beacon for those who are lost. A place for the hurting to call home.
