HIGHWAY TO HELL TAB (ver 3) by AC/DC @ Ultimate-Guitar.Com
Reviewed in the United States on August 21, 2008. Verified Purchase. "Highway To Hell" would be the album that put AC/DC on the map in the U.S., but would also be the last for lead singer Bon Scott who would die of alcohol poisoning shortly after the album's release.

Highway to Hell by AC/DC on Amazon Music - Amazon.com
- Bon Scott sang with sly gusto on the amazing title track to "Highway To Hell" – their breakthrough album from August 1979. But come February 1980 he was gone – lost to a dumb drinking binge - and I for one was miserable at his loss.

Think you know everything there is to know about Hammer Films, the fabled "Studio that Dripped Blood?" The lowdown on all the imperishable classics of horror, like The Curse of Frankenstein, Horror of Dracula and The Devil Rides Out? What about the company's less blood-curdling back catalog? What about the musicals, comedies and travelogues, the fantasies and historical epics--not to mention the pirate adventures? This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail, including budgets, shooting schedules, publicity and more, along with all the actors, supporting players, writers, directors, producers, composers and technicians. Packed with quotes, behind-the-scenes anecdotes, credit lists and production specifics, this all-inclusive reference work is the last word on this cherished cinematic institution.

Maggie Quinn was expecting to find plenty of trouble with Lisa over Spring Break. Destination: South Padre Island! Give a girl a bikini, a beachfront hotel, and an absent boyfriend, and it ' s as good as a road map to the dark side. And Maggie and Lisa plan to enjoy every bit of it--just like nice, normal college freshmen. Fire, brimstone, and demonic sorority girls: these ladies are officially off the clock. But Maggie doesn ' t have to go looking for trouble. Trouble has started looking for her. One dead cow and a punctured gas tank later, she and Lisa are stuck in Dulcina, Texas—a town so small that it has an owner. And--you guessed it--lately life in this small town hasn ' t been all that peaceful. An eerie predator is stalking the ranchland. Cattle are dying mysteriously, with strange bite marks on their hides. And judging by the rising body count, whatever's doing the killing is getting bolder by the day. Everyone in town has a theory, but not even Maggie ' s psychic mojo can provide any answers. And the longer the girls are stranded, the more obvious it becomes that something is seriously wrong. Only no one—not even Maggie ' s closest ally—wants to admit that they could have been forced on a detour down the highway to hell. It looks like fighting evil isn't a job with vacation time. "A first-rate mystery."-School Library Journal

With the legions of the underworld gathering and chaos close at hand, Sorcerer Declan O ' Hara ' s deadly skills will be tested. But nothing will sway him from his duty... Rescued from eternal darkness, vampire Ana DeLacrxu owes her life to a mysterious stranger who asks for only one thing—her absolute allegiance. She serves this master without question until Declan, the one man who can make her forget her vow, returns. His magic is stronger, darker...more compelling than ever. His blood awakens a hunger she must resist, or risk deadly consequences. As Ana and Declan join forces, the streets of New Orleans become a dangerous place for both humans and the otherworld. And the most dangerous place of all is a road Declan ' s traveled before...the wicked road to hell.

Cedar County is the story of a newspaper reporter who quit his job in Seattle and went home to Iowa for a while. He lived alone for 13 months in Cedar County, a place where he had lived as a boy of 8 and returned to as a man of 52. The narrative wanders through family history, memories of life on a Cedar County farm in 1945, the good and bad of newspaper work, road trips from Iowa to the West Coast. It's about life in Tipton, Cedar County, Iowa: a ghost story or two, conversations at the Maid-Rite cafe, the ways of modern farming, spending time with aging parents, listening to people talk about themselves. By the end of his sojourn, the author realized he was someone who didn't quite belong in Cedar County but was never quite a stranger.

The definitive account of AC/DC'ss rise to fame, when the cheeky lyrics and charismatic presence of Bon Scott, along with the guitar work of Angus and Malcolm Young, defined a new, highly influential brand of rock and roll. Drawing on original interviews and including many rare photos, this book traces AC/DC'ss career through the life of their original front man.

A stunning personal narrative of best intentions gone awry, Michael Maren, at one time an aid worker and journalist in Somalia, writes of the failure of international charities. Michael Maren spent years in Africa, first as an aid worker, later as a journalist, where he witnessed at a harrowing series of wars, famines, and natural disasters. In this book, he claims that charities, such as CARE and Save the Children, are less concerned with relief than we think. Maren also attacks the United Nation's "humanitarian" missions are controlled by agribusinesses and infighting bureaucrats.

"William Murray provides a unique perspective that should be read, particularly by America's youth, at a time central planners are once again promising utopian dreams at a cost to the most productive among us. " Governor Mike Huckabee Utopian dreamers are deceived and deceiving. Their " fight for the people " rhetoric may sound good at first, but history proves egalitarian governments and the cultures they try to create destroy freedom, destroy creativity, destroy human lives, create poverty and misery, and often spread beyond their borders to bring others under slavery. Utopians believe that through their own personal brilliance a better society can be created on earth. When the belief in man as a creation in the image of God is completely rejected, the use of slavery and mass execution can be justified in the name of the creation of a utopian state for the masses. Pol Pot, Vladimir Lenin, Adolf Hitler, Joseph Stalin, Mao Tse-tung together these so-called visionaries through their fanciful policies are responsible for the deaths of millions of people. In Utopian Road to Hell William J. Murray, son of atheist apologist Madelyn Murray O ' Hair, describes the totalitarians throughout history and the current utopians who are determined to engage in social engineering to control the lives of every person on earth. From Marx to Hitler, Murray explains the progression of socialist engineering from its occultist roots to the extreme madness of the Nazis ' nationalistic racism. From Margaret Sanger ' s Planned Parenthood and Saul Alinsky ' s Rules for Radicals, the rebellious desire to be free from morality drives the " at-any-cost " campaigns such as abortion on demand, no-fault divorce, same-sex marriage, and overreaching government provisions. From Woodrow Wilson ' s " living document " distortion of the Constitution and his income tax to FDR ' s New Deal to Obama ' s executive orders, those who seek centralized power typically do so by proclaiming some utopian scheme that they claim will perfect mankind and eliminate competition, greed, poverty, and war. William J. Murray masterfully educates us on the utopians ' swath of destruction throughout history and warns us of the dangers of present-day utopians fighting to hold power. We must heed the warning of George Washington when he said in his 1796 Farewell Address that it is important for those entrusted with the administration of this great and free nation, " to confine themselves within their respective constitutional spheres, avoiding in the exercise of the powers of one department to encroach upon another. " We must reclaim the freedom of the individual to avoid the continued path down the utopian road to hell.
