Marlene A. Plumlee, Ph.D, CPA, Associate Professor of Accounting at the University of Utah, authored Pearson's International Financial Reporting Standards supplement ISBN 013612304X for our Introduction to Financial Accounting 9th edition by Horngren.

Introduction to Financial Accounting, 9th Edition - Pearson

Over the years, the Accounting franchise became a trusted, tried and true choice for instructors who wanted their students to learn accounting with the traditional framework but with modern application. For the 8th edition, Horngren and Harrison invited Suzanne Oliver to join the already solid author team.

Success in Accounting starts here! Horngren's Accounting presents the core content of an accounting fundamentals course in an effective and modern format designed to help today's learners succeed. Students learn, within an Australian business context, how financial decision-making is based on accurate and complete accounting information. Clear and consistent explanations of how and why accepted accounting concepts and techniques are used, to ensure students understand what they are reading. Explore the interactive brochure The innovative digital learning resources which accompany Horngren's Accounting provide most effective way to learn and practice the fundamentals of accounting anytime, anywhere. The eighth edition is accurate and up-to-date, is guided by extensive research and review feedback, and incorporates the very latest Australian Accounting Standards. The new author team has focused on clarity, consistency and accuracy within the content. New and improved learning tools and resources enable educators to help students both inside and outside the classroom. Pearson recommends including MyAccountingLab with your purchase. MyAccountingLab is designed to work with the text and is the perfect way to engage each student effectively, by providing innovative multimedia and content online. This effective learning system integrates quizzes, homework and adaptive learning tools with a complete eText version of this text.

NOTE: You are purchasing a standalone product; MyAccountingLab does not come packaged with this content. If you would like to purchase both the physical text and MyAccountingLab search for ISBN-10: 0134077334/ISBN-13:9780134077338 . That package includes ISBN-10: 013385678X/ISBN-13:

9780133856781 and ISBN-10: 0133877574/ISBN-13:9780133877571. For courses in Financial and Managerial Accounting. Expanding on Proven Success with Horngren's Accounting Horngren's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Also available with MyAccountingLab ® MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Extraordinary and up-to-date problems have been added to this edition with other new features including text learning aids to help students understand accounting and streamlined text discussions for more effective understanding of core topics.

The textbook study guide provides students on the go with a valuable resource. This chapter-by-chapter learning aid helps students get the maximum benefit from their study time. For each chapter there is an explanation of each Learning Objective; additional Demo Docs; Quick Practice, True/False, and Multiple Choice questions; Quick Exercises; and Do It Yourself questions, all with solutions.
