The 110th United States Congress was a meeting of the legislative branch of the United States federal government, between January 3, 2007, and January 3, 2009, during the last two years of the second term of President George W. Bush. It was composed of the Senate and the House of Representatives. The apportionment of seats in the House was based on the 2000 U.S. Census.

### **Hearings | House Committee on Oversight and Reform**

The investigation was not completed by the end of the 110th Congress, and it was reestablished after the 111th Congress convened in January 2009. The responsibilities of the Task Force were expanded to include the case of Judge Samuel B. Kent, leading to hearings and his subsequent impeachment by the full House of Representatives.

The United States Government Printing Office (GPO) was created in June 1860, and is an agency of the U.S. federal government based in Washington D.C. The office prints documents produced by and for the federal government, including Congress, the Supreme Court, the Executive Office of the President and other executive departments, and independent agencies. A hearing is a meeting of the Senate, House, joint or certain Government committee that is open to the public so that they can listen in on the opinions of the legislation. Hearings can also be held to explore certain topics or a current issue. It typically takes between two months up to two years to be published. This is one of those hearings.
